### (Department of Consumer Affairs)

New Delhi, the 4th August, 2011

S.O. 3041.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by sub-sections (7) and (8) of Section 36 of the said Act, the Central Government hereby issues and publishes the certificate of approval of the model of non-automatic weighing instrument (Electronio Weighbridge) with digital indication of medium Accuracy (Accuracy class -III) of Series "ESCORT" and with brand name "ESCORT" (hereinafter referred to as the said Model), maunfactured by M/s Escort Engineering 305, Ship-II, Nr Sales India, Ashram Road, Ahmedabad-380009 Gujrat (India) and which is assigned the approval mark IND/09/09/345;

The said model is a strain gauge type load cell based non-automatic weighing instrument (Electronic Weighbridge) with a maximum capacity of 40 tonne and minimum capacity of 100 kg. The verification scale interval (e) is 5kg. It has a tare device with a 100 per cent subtractive retained tare effect. The Light Emitting Diode (LED) indicates the weighing results. The instrument operates on 230 Volts, 50 Hertz alternative current power supply.

Figure-1 Model (Weighbridge)

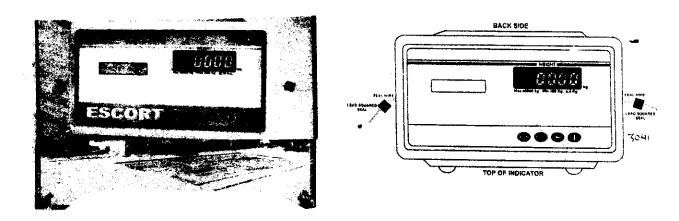

Figure-2 Sealing provision of the indicator of the model

The Sealing is done through the hole made in front cover and rear plate of the scale, than sealing wire is passed through these holes. Sealing shall be done to prevent opening of the weighing machine for fraudulent practice. A typical schematic diagram of sealing provision of the model is given above.

The instrument has external control to calibration. A dip switch has also been provided in A/D card/mother board to disable access to external calibration.

Further, in exercise of the powers conferred by sub-section (12) of section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said Model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity above 5 tonne and up to 200 tonne with verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 5g. or above and with 'e' value of 1x10k, 2x10k or 5x10k, where k is a positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the said approved Model has been manufactured.

New therefore, in exercise of the powers conferred by Section 22 of the Legal Metrology Act, 2009 (1 of 2010) read with sub-rule (6) of Rule 1 of Rule 11 of the Legal Metrology (Approval of Models) Rules, 2011, the Central Government hereby issues and publishes the certificate of approval of the model of non-automatic weighing instrument (Table top type) with digital indication of High Accuracy (Accuracy class—II) of Series "DKJ" and with brand name ""PRESE" (hereintation referred to as the said Model), manufactured by M/s. Shree Digital Scales, Bhiwandi-Nasik Highway, William South Bhiwandi, District Thane (Maharashtra) and which is assigned the approval mark IND/09/11/197;

The said model is a strain gauge type load cell based non-automatic weighing instrument (Table Top Type) with maximum expecity of 30 kg, and minimum capacity of 100 g. The verification scale interval (e) is 2g. It has a tare device with at 000 per cent subtrantive retained tare effect. The Light Emitting Diode (LBD) display indicates the weighing results. The instrument operates on 230 Volts, 50 Hertz alternative current power supply.

Scaling is done on the display by passing scaling wire from the body of the display. The scal is connected by white in the plate and top cover of display, then scal wire is passed through these two holes attached with scal. A typical schematic diagram of scaling provision of the model is given above.

The instrument has external control to calibration. A dip switch has also been provided in A/D card/mother board to disable access to external calibration.

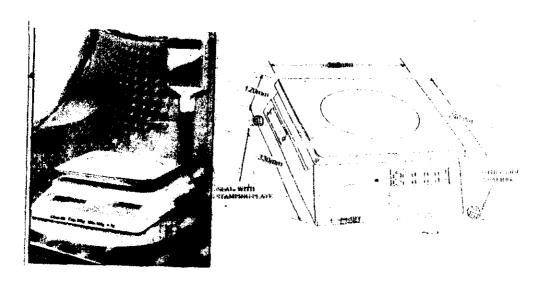

Further, increase of the powers conferred by sub-rule (9) of Rule 8 of the Legal Metrology (Approval of Models) Rules 2011, the Central (Government hereby declares that this certificate of approval of the said Model shall also cover the weighing instruments of similar make; accuracy and performance of same series with maximum capacity up to 50 kg, with verification scale interval (n) in the range of 100 to 100,000 for 'e' value of 1mg, to 50 mg, and with verification scale interval (n) in the range of 5000 to 100,000 for 'e' value of 100 mg, or more and with 'e' value of 1x10<sup>k</sup>, 2x10<sup>k</sup> or 5x10<sup>k</sup>, where k is a positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same primarile; design and with the same materials with which, the said approved Model has been manufactured.

S.O. 3049.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the model described in the said report (see the figure given below) is in conformity with the provisions of the Legal Metrology Act, 2009 (1 of 2010) and the Legal Metrology (Approval of Models) Rules, 2011 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions:

Now, therefore, in exercise of the powers conferred by sub-rule (6) of rule 8 and sub-rule (2) of rule 11 of the Legal Metrology (Approval of Models) Rules, 2011, the Central Government hereby issues and publishes the certificate of approval of the model of non-automatic weighing instrument (Mechanical Person Weighing Machine) of ordinary Accuracy (Accuracy class-IV) of series "LTB-150" and with brand name "LIBRATECH" (hereinafter referred to as the said model), manufactured by M/s. Scales Techno (India), C-12A, Mahendra Enclave, Shastri Nagar, Ghaziabad-201002 and which is assigned the approval mark IND/09/11/171;

The said model is the principal of spring based non-automatic weighing instrument (Mechanical Person Weighing Machine) with a maximum capacity of 150 kg and minimum capacity of 5kg. The verification scale interval (e) is 0.5kg.

Figure-2 Sealing Diagram of the sealing provision of the model

Sealing can be done by applying lead and seal wire through the holes provided on the body of the instruments. Sealing shall be done to prevent opening of the weighing machine for fraudulent practice. A typical schematic diagram of sealing provision of the model is given above.

Further, in exercise of the power conferred by sub-rule (9) of rule 8 of the Legal Metrology (Approval of Models) Rules, 2011, the Central Government hereby declares that this certificate of approval of the said model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity up to 150 kg with verification scale interval (n) in the range of 100 to 1,000 for 'e' value of 5g or more and with 'e' value of  $1x10^k$ ,  $2x10^k$ , or  $5x10^k$ , where k is a positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the said approved model has been manufactured.

See: 3005.—Whereas the Central Government, after considering the report submitted to it by the prescribed autiliarity, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Liegal Metrology Act., 2009 (1 of 2010) and the Legal Metrology (Approval of Models) Rules, 2011 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions:

Now, therefore; in exercise of the powers conferred by Section 22 of the Legal Metrology Act 2009 (1 of 2010) read with sub-rule (6) of rule 8 and sub-rule (4) of rule 11 of the Legal Metrology (Approval of Models) Rules, 2011, the Control Government hereby publishes the certificate of approval of the model of non-automatic weighing instrument (Indial Bulance Mechanical Type) with analogue indication of ordinary Accuracy (Accuracy class-IIII) of series "EE2" and with brand name "EESON" (hereinafter referred to as the said model), manufactured by M/s. Elson Enterprises, 18-Rooja Viltar, Brakman Majra Road, Ambala Cantt.-133006 and which is assigned the approval mark IND/09/11/222;

The said model is a spring based mechanical non-automatic weighing instrument (Tubular Balance-Mechanical Type) with a maximum capacity of 5 kg, and minimum capacity of 250 g. The verification scale interval (e) is 25g. The pointer on the graduated scale indicates the results of the measurements.

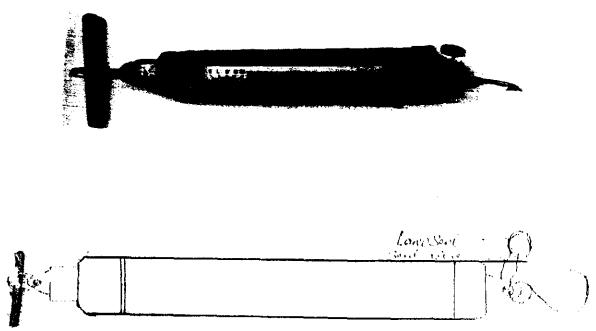

Figure-2 Schematic Diagram of the sealing arrangement

Scaling can be done by applying lead and seal wire through the holes provided on the body of the instruments. Scaling shall be done to prevent opening of the weighing machine for fraudulent practice. A typical schematic diagram of scaling provision of the model is given above.

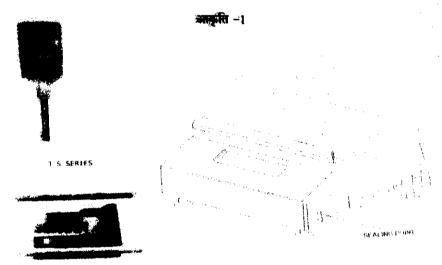

Further, in exercise of the power conferred by sub-rule (9) of rule 8 of the Legal Metrology (Approval of Models) Rules, 2011, the Central Government hereby declares that this certificate of approval of the said model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity up to 50 kg. With verification scale interval (n) in the range of 100 to 1000 for 'e' value of 5g or more and with 'e' value of  $1 \times 10^k$ , or  $5 \times 10^k$ , where k is a positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the said approved Model has been manufactured.

#### New Delhi, the 25th August, 2011

S.O. 3054.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Legal Metrology Act, 2009 (1 of 2010) and the Legal Metrology (Approval of Models) Rules, 2011 and the said model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sections 22 of the Legal Metrology Act 2009 (1 of 2010) read with sub-rule (6) of rule 8 and sub-rule (4) of rule 11 of the Legal Metrology (Approval of Models) Rules, 2011, the Central Government hereby issues and publishes the certificate of approval of the model of non-automatic weighing instrument (Table top type) with digital indication of High Accuracy (Accuracy class- II) of series "JS" and with brand name "SENSU!" (hereinafter referred to as the said model), manufactured by M/s. Laxmi Scale, 851-1B, Under Ground, Near Ratnakar Bank, Raviwar Peth, Belgaum-590002 and which is assigned the approval mark IND/09/11/256;

The said model is a strain gauge type load cell based non-automatic weighing instrument (Table Top Type) with a maximum capacity of 30 kg, and minimum capacity of 100g. The verification scale interval (e) is 2g. It has a tare device with a 100 per cent subtractive retained tare effect. The Light Emitting Diode (LED) / display indicates the weighing result. The instrument operates on 230 Volts, 50 Hertz alternative current power supply.

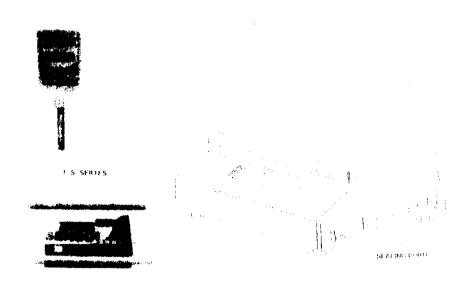

Figure-2 Schematic Diagram of sealing provision of the model

Sealing is done on the display by passing sealing wire from the body of the display. The seal is connected by whole in base plate and top cover of display, than seal wire is passed through these two holes attached with seal. A typical schematic diagram of sealing provision of the model is given above.

The instrument has external control to calibration. A dip switch has also been provided in A/D card/mother board to disable access to external calibration.

Further, in exercise of the power conferred by sub-rule (9) of rule 8 of the Legal Metrology (Approval of Models) Rules, 2011, the Central Government hereby declares that this certificate of approval of the said model shall also cover the weighing instruments of similar make, accuracy and performance of same series with maximum capacity up to 50 kg. with verification scale interval (n) in the range of 100 to 100,000 for 'e' value of 1mg to 50g and with verification scale interval (n) in the range of 5000 to 100,000 for 'e' value of 100 mg. or more and with 'e' value of  $1x10^k$ ,  $2x10^k$  or  $5x10^k$ , where k is a positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the said approved Model has been manufactured.

का.आ. 3055.—केन्द्रीय सरकार का, विहित प्राधिकारी द्वारा उसे प्रस्तुत रिपोर्ट पर विचार करने के पश्चात् यह समाधान हो गया है कि उक्त रिपोर्ट में वर्णित मॉडल (नीचे दी गई आकृति देखें) विधिक माप विज्ञान अधिनियम, 2009(2010 का 1) तथा विधिक माप विज्ञान (मॉडलों का अनुमोदन) नियम, 2011 के उपबंधों के अनुरूप हैं और इस बात की संभावना है कि लगातार प्रयोग की अविध में भी उक्त मॉडल यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा प्रदान करता रहेगा;

अत: अब, केन्द्रीय सरकार, विधिक माप विज्ञान (मॉडलों का अनुमोदन) नियम, 2011 के नियम 8 के उप-नियम (6) और नियम 11 के उप-नियम (4) के साथ पठित विधिक माप विज्ञान अधिनियम, 2009 (2010 का 1) की धारा 22 द्वारा शिक्तयों को प्रयोग करते हुए मैसर्स लक्ष्मी स्केल, 851-1 बी, अंडर ग्राउंड, रत्नाकर बैंक के पास, रिववार पीठ, बेलगाम-590002 (कर्नाटक) द्वारा विनिर्मित मध्यम यथार्थता (यथार्थता वर्ग-III) वाले ''पीएफ'' शृंखला के अंकक सूचन सिहत अस्वचालित तोलन उपकरण (प्लेटफार्म टाइप) के मॉडल का, जिसके ब्राण्ड का नाम ''सनसुई'' है, (जिसे इसमें इसके पश्चात् उक्त मॉडल कहा गया है) और जिसे अनुमोदन चिह्न आई एन डी/09/11/257 समनुदेशित किया गया है, अनुमोदन प्रमाणपत्र जारी करती है।

उक्त मॉडल एक विकृत गेज प्रकार का भार सेल आधारित अस्वचालित तोलन उपकरण (प्लेटफार्म टाइप) है। इसकी अधिकतम क्षमता 1000 कि. ग्रा. और न्यूनतम क्षमता 4 ग्रा. है। सत्यापन मापमान अन्तराल (ई) 200 ग्रा. है। इसमें एक आधेयतुलन युक्ति है जिसका शत प्रतिशत व्यवकलनात्मक धारित आधेयतुलन प्रभाव है। प्रकाश उत्सर्जक डायोड (एलईडी) प्रदर्श तोलन परिणाम उपदर्शित करता है। उपकरण 230 वोल्ट और 50 हर्ट्ज प्रात्यावर्ती धारा विद्युत प्रदाय पर कार्य करता है।

# MINISTRY OF PETROLEUM AND NATURAL GAS

New Delhi, the 25th October, 2011

S. O. 3066.— Whereas by notification of Government of India in Ministry of Petroleum and Natural Gas number S.O. 2749 dated 29th October, 2010, issued under sub-section (1) of Section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) (hereinafter referred to as the said Act), Government of India declared its intention to acquire the Right of User in the land, specified in the Schedule appended to that notification for the purpose of laying Vijayawada-Nellore-Chennai gas pipeline for transportation of natural gas from on-shore gas processing terminal at Kakinada on East coast of Andhra Pradesh of M/s Reliance Industries Limited by M/s Relogistics Infrastructure Limited to the consumers in various parts of the country;

And whereas, the copies of the said Gazette notification were made available to the public on or before 03vd May, 2011;

And whereas, no objections were received from the public to the laying of the pipeline;

And whereas, the Competent Authority has under sub-section (1) of Section 6 of the said Act, submitted report to the Government of India;

And whereas, Government of India, after considering the said report and on being satisfied that the said land is required for laying the pipeline, has decided to acquire the Right of User therein;

Now, therefore, in exercise of the powers conferred by sub-section (1) of Section 6 of the said Act, Government of India hereby declares that the Right of User in the land, specified in the Schedule, appended to this notification, is hereby acquired for laying the pipeline;

And further, in exercise of the powers conferred by sub-section (4) of Section 6 of the said Act, Government of India hereby directs that the Right of User in the said land for laying the pipeline shall, instead of vesting in Government of India, vest on the date of publication of the declaration, in M/s Relogistics Infrastructure Limited, free from all encumbrances.

F. No. L-14014/75/2010-G.P.] K. K. SHARMA, Under Secy.

नई दिल्ली, 25 अक्तूबर , 2011

का. आ. 3067.— भारत सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि तिमलनाडु में तिरूतन्नी के पास विजयवाडा-नैल्लोर-चैन्नई पाइपलाइन के टर्मिनल प्याइंट से देश के विभिन्न हिस्सों में उपभोक्ताओं तक प्राकृतिक गैस के परिवहन के लिए मैसर्स रिलोजिसटिक्स इन्फ्रास्ट्रक्चर लिमिटेड द्वारा चैन्नई - बंगलीर - मंगलीर पाइपलाइन विछाई जानी चाहिए;

और, भारत सरकार को उक्त पाइपलाइन विछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि उस भूमि में, जिसके भीतर उक्त पाइपलाइन विछाई जाने का प्रस्ताव है और जो इस अधिसूचना से उपावद्ध अनुसूची में वर्णित है, उपयोग के अधिकार का अर्जन किया जाए;

अतः, अब, भारत सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उनमें उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा करती है;

कोई व्यक्ति, जो उक्त अनुसूची में वर्णित भूमि में हितवद्ध है, उस तारीख से जिसको उक्त अधिनियम की धारा 3 की उपधारा (1) के अधीन जारी की गई अधिसूचना की प्रतियां साधारण जनता को उपलब्ध करा दी जाती हैं, इक्कीस दिन के भीतर भूमि के नीचे पाइपलाइन विछाई जाने के लिए उपयोग के अधिकार के अर्जन के संबंध में श्री वी. वेंकटसुब्बु, सक्षम प्राधिकारी, रिलोजिसटिक्स इन्फ्रास्ट्रक्चर लिमिटेड, नं 89, डॉ. राधाकृष्णन सलाई, छठवीं मंजिल, मैलापुर, चैन्नई - 600004, तमिलनाडु राज्य को लिखित रूप में आक्षेप भेज सकेगा।

### New Delhi, the 25th October, 2011

S. O. 3067.— Whereas it appears to Government of India that it is necessary in public interest that for transportation of natural gas from terminal point of Vijayawada — Nellore — Chennai pipeline near Tiruttani in TamilNadu to consumers in various parts of the country, Chennai — Bangalore — Mangalore pipeline should be laid by M/s Relogistics Infrastructure Limited;

And whereas it appears to Government of India that for the purpose of laying such pipeline, it is necessary to acquire the Right of User in land under which the said pipeline is proposed to be laid and which are described in the Schedule annexed hereto;

Now, therefore, in exercise of the powers conferred by sub-section (1) of Section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), Government of India hereby declares its intention to acquire the Right of User therein;

Any person interested in the land described in the said Schedule may, within twenty-one days from the date on which the copies of this notification as published in the Gazette of India under sub-section (1) of Section 3 of the said Act, are made available to the general public, object in writing to the acquisition of the Right of User therein for laying the pipeline under the land to Shri V. Venkatasubbu, Competent Authority, Relogistics Infrastructure Limited, No.89, Dr. Radha Krishnan Salai, 6th Floor, Mylapore, Chennai-600004, Tamil Nadu State.

### New Delhi, the 25th October, 2011

S. O. 3068.—Whereas by notification of Government of India in Ministry of Petroleum and Natural Gas number S.O. 3065 dated 13th December, 2010, issued under sub-section (1) of Section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) (hereinafter referred to as the said Act), Government of India declared its intention to acquire the Right of User in the land, specified in the Schedule appended to that notification for the purpose of laying Vijayawada-Nellore-Chennai gas pipeline for transportation of natural gas from on-shore gas processing terminal at Kakinada on East coast of Andhra Pradesh of M/s Reliance Industries Limited by M/s Relogistics Infrastructure Limited to the consumers in various parts of the country;

And whereas, the copies of the said Gazette notification were made available to the public on or before 13th April, 2011;

And whereas, no objections were received from the public to the laying of the pipeline;

And whereas, the Competent Authority has under sub-section (1) of Section 6 of the said Act, submitted report to the Government of India;

And whereas, Government of India, after considering the said report and on being satisfied that the said land is required for laying the pipeline, has decided to acquire the Right of User therein;

Now, therefore, in exercise of the powers conferred by sub-section (1) of Section 6 of the said Act, Government of India hereby declares that the Right of User in the land, specified in the Schedule, appended to this notification, is hereby acquired for laying the pipeline;

And further, in exercise of the powers conferred by sub-section (4) of Section 6 of the said Act, Government of India hereby directs that the Right of User in the said land for laying the pipeline shall, instead of vesting in Government of India, vest on the date of publication of the declaration, in M/s Relogistics Infrastructure Limited, free from all encumbrances.

#### **AWARD**

(Dated: 14th September, 2011)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of the State Bank of India, Raipur and their workman, Shri Raju Kúmar Verma, for adjudication, as per letter No. L-12012/316/2002-IR(B-I) dated 2-5-2003, with the following schedule:—

"Whether the action of the Dy. General Manager, State Bank of India, Raipur (CG) in terminating the services of Shri Raju Kumar Verma, S/o. Late. R.P. Verma, Ex-messenger, is justified? If not, what relief is the workman entitled for?"

2. On receipt of the reference, notices were sent to the parties for filing of their respective statement of claim and written statement, in response to which, the workman Shri Raju Kumar Verma ("the workman" in short) filed the statement of claim and the management of the State Bank of India, Raipur ("the party no. 1" in short) filed the written statement.

The case of the workman is that he was appointed temporarily in the post of messenger from 13-1-1986 to 13-3-1986 for 60 days and thereafter, he worked continuously from 16-10-1995 to 1-10-1997 excluding Sundays and holidays (total 519 days) at Ispat Branch, S.B.I. Bhilai and in view of such service and the provisions of the Bi-partite settlement between the Bank and All India State Bank of India Staff Federation, he became a protected worker and entitled for all the permanent absorption in the Bank and the Bank conducted interview for all the protected workers during 1990 and the selected persons were wait listed for permanent absorption in future in the Bank's service and he was also interviewed and selected in the said interview and was included in the waiting list and as he was a protected worker and was about to be absorbed, he was offered temporary appointment, but his services were abruptly terminated w.e.f. 3-10-1997, without assigning any reason and he had performed his duties for more than 240 days in a calendar year and got the status of a permanent employee, as per the provisions of Section 25-B of the Act and in order to deprive him the benefits of regular employment, he was continued with artificial breaks in service and though posts were available, the party no. 1 did not absorb him and the action of the party no. 1 in terminating his services amounts to retrenchment, but before the termination of his services, neither one month's notice nor one month's wages in lieu of notice nor retrenchment compensation was given to him and as such, the action of tenninating of his services is illegal, inoperative and invalid and as the mandatory provisions of Section 25-F of the Act were not complied with, he is entitled for reinstatement in service with back wages and the action of the party no. 1 in terminating his services is arbitrary, capricious and unfair labour practice and he made representation to the Bank repeatedly for redressal of his grievances, but without any result and the party no. I made appointments of fresh candidates in the post of messengers, but he was not given employment, which was violation of the mandatory provisions of Section 25- H of the Act. The workman has prayed for declaring the action of the party no. 1 to be illegal and unlawful and to reinstate him in service with continuity and back wages.

3. The party no. 1 in its written statement has pleaded inter-alia that the appointment of the workman was on daily wages, in temporary capacity, intermittently and without

continuity in service, due to administrative exigency and the workman was engaged as temporary messenger on daily wages basis in temporary capacity initially from 16-10-1995 to 31-10-1995 (for 15 days) vide letter dated 16-10-1995 and thereafter, month to month basis and the contract of service was renewed from month to month and various settlements were entered into between the State Bank of India and Federation of SBI unions and by virtue of such settlements and for any other reason, the workman did not become a protected worker and did not become entitle for permanent absorption in the Bank. The further case of the party no. 1 is that the workman had been enlisted in the waiting list for absorption, but the said list lapsed on 31-3-1997, as per the terms of the settlement dated 13-7-1996 (wrongly mentioned as 30-7-1996 in the written statement) and as such, the persons, whose turn did not come by 31-3-1997 could not be considered for permanent absorption and in 1998, the workman had raised the dispute on the same facts and circumstances, which are the subject matter of the present dispute and the Government of India by its notification dated 24-01-2000, was pleased to not refer the dispute for adjudication and the workman again approached the same forum for the same relief by suppressing the fact that he had raised similar dispute, which was not referred by the Government and for that the workman is not entitled for any relief and as the initial engagement of the workman was purely on temporary basis and the purpose for which, the workman was engaged was completed, the termination of his services was inevitable and the mere fact of completion of 240 days of work did not give the workman the status of permanent employee within the meaning of Section-25-B of the Act and the workman was not given artificial breaks in service and it did not adopt any unfair labour practice and the services of the workman were terminated on 3-10-1997 and the disengagement of the services does not amount to retrenchment, for the reasons that he was engaged from month to month basis, so, there was no need to comply with the provisions of Section 25-F of the Act and as such, its action cannot be said to be illegal and fresh candidates were not appointed by it as messengers and there was no violation of the provisions of Section 25-H of the Act and as such, the workman is not entitled for any relief.

4. The workman has examined himself as a witness in support of his claims. In his examination-in-chief, which is on affidavit, the workman has reiterated the facts mentioned in the statement of claim. However, in his cross-examination, he has admitted that he was initially appointed for 15 days on 16-10-1995 on daily wages and later on, he was engaged on month to month basis on daily wages and he has not filed any document showing that he worked for 240 days preceding the date of his termination and his name was in the waiting list and the waiting list expired on 31-3-1997, in view of the terms of the settlement and he was not called through the Employment Exchange and there was no police

verification before his appointment and he was appointed by the Branch Manager initially.

- 5. No oral evidence was adduced by the party no.1.
- 6. At the time of argument, it was submitted by the learned advocate for the workman that the workman worked with the party no. 1 from 13-1-1986 to 13-3-1986 and thereafter he worked continuously from 16-10-1995 to 1-10-1997 for 519 days in total and he worked for more than 240 days of continuous work in every calendar year but his services was terminated w.e.f. 3-10-1997, without assigning any reason and the mandatory provisions of Section 25-F of the Act were not complied with and the termination amounts to retrenchment and due to non-compliance of the provisions of Section 25-F of the Act, such retrenchment is illegal and as such, the workman is entitled for reinstatement with continuity of service and full back wages. In support the contentions, the learned advocate for the workman placed reliance on the decisions reported in AIR 2009 S.C. 309 (Divisional Manager, New India Assurance Co. Ltd. Vs. A. Sankarlingam).
- 7. On the other hand, it was submitted by the learned adrocate for the party no. 1 that the workman was appointed temporarily and he was duly considered by the party no. l for permanent absorption in the bank, as per the settlements and as such, he was interviewed and was put in the waiting list and as the waiting list lapsed on 31-3-1997, he has no right for permanent absorption or re-appointment. It was also submitted that as the engagement of the workman was purely on casual and temporary basis intermittently, due to administrative exigencies and need of work as messenger and was not as per procedure for permanent staff, his termination cannot be termed as retrenchment and in view of the decisions of the Hon'ble Apex Courts, even if it is found that the workman had completed more than 240 days of work, he is not entitled for regularization or reinstatement in service and as such, he is not entitled for any relief. In support of the contentions, reliance has been placed on the decisions reported in AIR 2006 SC 1806 (Secretary, State of Karnataka & Others V/s. Uma Devi), (2007) 9 SCC-748 (Madhya Pradesh Administration V/s. Tribhuvan) and (2006) 5 SCC-173 (Municipal Council, Sujanpur V/s. Surinder Kumar).

Keeping in view the principles enunciated by the Hon'ble Courts in the decisions, on which reliance has been placed by the parties, now, the present case at hand is to be decided.

- 8. Admittedly the appointment of the workman was temporary for intermittent durations. The workman has pleaded such facts in his statement of claim. In view of the lapse of the waiting list prepared by the Bank on 31-3-1997 the workman is not entitled to claim appointment or reinstatement in service on the basis of such list.
- 9. However, the claim of the workman in this case is not based on the waiting list prepared by the Bank.

According to the claim of the workman, he was appointed temporarily on 16-10-1995 and continued till 1-10-1997 and as he had completed more than 240 days of continuous work in each calendar year and the termination of his services without following the mandatory provision of the section 25- F of the Act is illegal, he is entitled for reinstatement in service.

The party no. 1 has denied the claim of the workman.

10. Perused the record including the statement of claim, written statement, oral and documentary evidence adduced by the parties and written notes of arguments. It is the admitted case of the workman that he was appointed temporarily. The documents on record show that the workman was engaged as a temporary messenger and not on permanent basis. There is nothing on record to show that the workman was appointed by following the due procedure of appointment applicable to the Bank. So it is clear from the evidence that the workman was working on casual basis as a temporary messenger.

On perusal of the documents on record and the admission of the workman in the cross-examination, it is found that the appointment of the workman was purely on temporary basis for a specific period and he was being reappointment on fresh basis from time to time, on the basis of specific order. It is also found from the documents that in the orders for temporary appointment, it has been clearly mentioned that the appointment is purely temporary in nature and the workman would not be entitles to claim permanent employment and the services can be terminated at any time by the Bank without notice and the workman accepting the conditions had worked with party no. 1. It is also found from the documents that the temporary appointment was made by the Branch Manager of the Bank.

It is well settled by the Hon'ble Apex Court in a number of decisions including in the decision of the constitutional Bench reported in AIR 2006 SC-1806 (Secretary State of Karnataka & Others Vs. Umadevi and Others) that unless the appointment is in terms of the relevant rules and after a proper competition among qualified persons, the same would not confer any right on the appointment comes to an end at the end of the contract and if the appointment is on casual basis, the same would come to an end, when it is discontinued and a temporary employee has no right to claim to be made permanent and on expiry of the term of his appointment, he is not entitled for reinstatement in service.

Applying the principles enunciated by the Hon'ble Apex Courts to the present case at hand, it is found that the provisions of section 25-F are not applicable to this case, as from the documents filed by the workman show that his appointment was coming to an end at the end of the contract and as such, the workman has no right to claim reinstatement in service.

Moreover, it is well settled by the Hon'ble Apex Court in number of decisions that the initial burden of proof is on the workman to show that he completed 240 days of service in the preceding 12 months of the date of alleged termination and the onus of proof doesn't shift to employer nor is the burden of proof on the workman discharged, merely because employer fails to prove a defence and filing of affidavit of the workman to the effect that he had worked for 240 days continuously or that the workman had made repeated representation or raised demands for reinstatement, is not sufficient evidence that can discharge the said burden and other substantive evidence needs to be adduced to prove 240 days' continuous service.

In this case, the workman has claimed that his services were terminated on 3-10-1997. So now, it is to be seen as to whether the workman has been able to discharge the initial burden to show that he worked for 240 days in the preceding 12 months of 3-10-1997. In support his claim, the workman besides filing his affidavit has filed documents in regard to his appointment. The said documents show that he worked from 16-10-1995 to 31-10-1995. There is no other evidence on record to show that the workman completed 240 days of work in the preceding 12 months of 3-10-1997. As the workman has failed the discharge the initial burden that he worked for 240 days in the preceding 12 months of 3-10-1997, the provisions of section 25-F are not applicable to this case. Hence, it is ordered:

#### **ORDER**

The action of the Dy. General Manager, State Bank of India, Raipur (CG) in terminating the services of Shri Raju Kumar Verma, S/o Late R.P. Verma, Ex-messenger, is legal and justified. The workman is not entitled for any relief.

Sri Bhagwan Das, S/o Sri Narain, Village Mahuwapur, Post-Bheetee Rawat, Thana - Sahjanwa, District Gorakhpur.

And

The Assistant Engineer (West) NE Railway, Gorakhpur.

#### Award

- 1. Central Government, MoI, New Delhi, vide notification no. L-41012/10/2004-IR (B-1) dated 10-6-2004 has referred the following dispute for adjudication to this tribunal.
- 2. Whether the action of the management of NE Railway, Gorakhpur in terminating the services of Sri Bhagwan Das Son of Sri Narain w. e. f. 16-9-85 is legal and justified? If not to what relief the workman is entitled for?
- 3. It is alleged by the claimant that he was engaged by opposite party on 16-7-74 to discharge the work of Khalasi. It is further alleged by the claimant that he was engaged against work of permanent nature. He performed his duties with effect from 46-7-74 to 15-9-85 continuously and his attendance was recorded in the muster roll maintained by the opposite parties. When he raised a demand to regularize his services then he was removed from the service of the opposite party with effect from 16-9-85 without assigning any reason. Even he was not paid any notice, notice payor retrenchment compensation at the time of termination of his services by the opposite which is in utter breach of the provisions of the Act. Accordingly he has prayed that he should be reinstated in the service of the opposite party with full back wages and continuity of service.
- 4. Opposite party has filed the written statement denying the entire allegations of the claimant. However, it is admitted by the opposite party that the applicant was engaged on a specific work for converting the meter gauge line into broad gauge. The job against the applicant was engaged was neither permanent nor regular of nature. It is also pleaded that since the applicant was engaged on a project, therefore, after completion of the project work his services stood automatically terminated by efflux of time.

He was engaged on casual basis against special need of work on daily rate basis. It is also alleged that when the workman was removed from his casual job he was paid compensation according to the provisions of Indian Railway Establishment Manual as well as, as per provisions of Industrial Disputes Act, 1947. Therefore it is not a case of illegal retrenchment. Mandate of last come first go as provided under section 25G of the Industrial Disputes Act, has duly been regarded at the time of removal of the claimant. It is specifically denied by the opposite party that they have ever exercised any practice of unfair labour practice in the case of workman. Therefore, the claimant is not entitled for any relief as claimed by him.

- 5. Rejoinder has also been filed by him but nothing new has been alleged therein.
  - 6. Perused the record of the case carefully.
- 7. I find that the claimant was afforded adequate opportunity to adduce evidence in support of his claim but he failed.
- 8. Therefore, it is a case where there is no evidence adduced by the claimant. Opposite party too has not adduced evidence in support of their case.
- 9. It is settled legal position that burden lies on the claimant to prove his case and if burden is not discharged by the claimant he cannot be held entitled for any relief in support of his case and his case is bound to be decided against him for want of evidence.
- 10. Therefore, in view of foregoing discussion, I find that the workman has miserably failed to prove his case therefore; claim is decided against him holding that he is not entitled for any relief.
- 11. Reference is answered accordingly against the workman.

(Dated: 15th September, 2011)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of State Bank of India and their workman, Shri R. G. Padole, for adjudication, as per letter No.L-12012/286/2004-IR(B-I) dated 26-8-2005, with the following schedule:—

"Whether the action of the management of State Bank of India, Region-I, Nagpur (M.S.) in denying promotion and consequential Special allowance to Shri R. G. Padole, Sr. Assistant, Gondia Branch of the bank is proper and justified? If not, to what relief, the workman concerned is entitled and from what date?"

2. Being noticed, the workman, Shri R. G. Padole ("the workman" in short) filed his statement of claim and the management of State Bank of India ("the party no. 1" in short) filed its written statement.

In his statement, the workman has pleaded inter alia. that he was in the service of the Party No.1 from 24-3-1971 till 31-3-2001 in the capacity of Senior Assistant and opted for retirement under voluntary retirement scheme and retired from service on 31-3-2001 and the Party No.1 had given him offer of appointment as special assistant with special allowance of Rs. 786 per month, under the scheme for career progression within the cadre, through its Chief Manager, State Bank of India, Gondia Branch, vide letter dated 28th July, 1999, with instructions to return the

duplicate of the letter duly signed in token of acceptance of the offer of appointment on or before 30th July, 1990 and he had been further advised that he would be relieved of his duties at the branch at the end of office hours on 31-7-1999, to report for duty at Tirora Branch and he - accepted the offer of appointment as special assistance immediately and signed the duplicate copy of the offer letter in token of acceptance of the offer within the stipulated time and returned the same to Party No.1, through the Branch Manager of Indira Gandhi Branch of the bank and he requested the Branch Manager of Indira Gandhi Branch to relieve him to join at Tirora Branch, but Party No.1 did not relieve him and he requested the Branch Manager of Indira Gandhi Branch vide his letter dated 10-2-2001 to release the pay and allowances @ of Rs. 786 per month of the post of Special Assistant with effect from 1-4-1999, but the bank refused to pay allowances vide letter dated 30-3-2001 intimating that the acceptance of offer was not given within three days of receipt of the offer, which was not at all correct, as he had given the acceptance letter within stipulated time and thereafter, he made frequent correspondence with the Party No.1 and wrote letters dated 16-4-2001, 4-6-2001, 13-8-2001, 14-9-2001 and 16-10-2001 and he also asked for a Xerox copy of the acceptance offer letter but his request was denied by the Party No.1, saying that after examination, it revealed that no acceptance offer letter was submitted by him and the Party No. 1 also refused to pay the allowances of Special Assistant, so he raised the dispute through his union. The workman has prayed to direct the Party No.1 to pay him the special allowances w.e.f. 1-4-1999 of the Special Assistant and the consequential benefits.

3. The Party No.1 in its written statement has pleaded interalia that the workman on 28-7-1999 was working at Gondia Branch, Gondia and on 12-4-1999, there was a settlement between the Bank and All India State Bank of India Staff Federation, regarding promotion of clerical staff to junior management cadre and of subordinate staff to clerical cadre and as per the settlement, an employee, who had completed 25 years of service in the bank was eligible for appointment on the post of Special Assistant and there by entitled for higher allowances and as the workman had completed 25 years of services in the bank, he was offered the post of Special Assistant with the conditions that he has to discharge the duties and responsibilities of Special Assistant at Tirora Branch on 31-7-1999 after availing the period as journey-cum-joining time and allowances will be paid after reporting at the designated branch and he must have accepted the offer of promotion within 3 days from the date of receipt of the order and the workman received the offer of appointment on 28-7-1999 and signed the letter in token of receipt of the same by endorsing, "received" with the date 28-7-1999 and the workman neither submitted his consent for the post of Special Assistant within time nor reported at Tirora Branch for discharging the duties of

Special Assistant and as such, he was not entitled for the allowances and the workman remained mum for about 20 months and continued to work in the same capacity at Gondia Branch and when voluntary retirement scheme was announced by the bank and the workman came to know that there are higher benefits with regard to pension, provident funds etc., he made an application for the first time on 10-2-2001, demanding the Special Allowances of Special Assistant without performing the duties at Tirora Branch, to where he was transferred and the workman applied for VRS and retired from Bank Service w.e.f. 31-3-2001 and received all terminal benefits and as such, the workman is not entitled for any allowance.

- 4. The workman has examined himself as a witness in support of his claim. The facts mentioned in the statement of claim have been reiterated by the workman in his examination-in-chief, which is on affidavit. However, in his cross-examination, he has stated that exhibit W-5 is a letter of offer and he had received the order and accordingly he endorsed on the copy of the management as per exhibit M-4 and as per the said letter, he was required to go to Tirora Branch and he was expected to receive the amount as a special allowance after reporting and performing the special duty allotted and he did not Join at Tirora Branch of SBI and he did not request the management to relieve him as per the order and he retired from the Bank on 31-3-2001 and he had received all the terminal benefits on retirement and from 28-7-1999 till his retirement, he worked at Gondia Branch and he had performed the duties of his post and not the special duty and till 12-2-2001, he did not request in writing for payment of special allowance.
- 5. One Dhanajoy Ramdayal Thantharate, Chief Manager of Gondia Branch was examined as a witness on behalf of Party No. 1. This witness in his evidence has also reiterated the facts mentioned in the written statement. In his cross-examination, the witness has stated that he does not have any personal knowledge about the occurrence but his affidavit is based on the documents available in the Bank and the workman acknowledged the receipt of the letter on 28-7-1999 and as the workman did not give any acceptance letter, he was not relieved from his duty by 31-7-1999.
- 6. During the course of argument, it was submitted by the learned advoçate for workman that the workman accepted the offer given by Chief Manager, Gondia Branch of SBI on 28-7-1999 and in token of his acceptance of the offer of appointment/promotion as Special Assistant, he signed the duplicate of the offer letter immediately and returned the same to the Party No.1, Bank, through the Branch Manager of Gondia Branch and though the workman requested the Branch Manager, Gondia Branch to relieve him, hence the workman requested the Manager, State Bank of India, Gondia Branch vide his letter dated 10-2-2001 to release the pay and allowance of the post of Special

Assistant w.e.f. 1-4-1999 and the Bank refused to pay the allowances on the ground that the workman did not submit the acceptance of offer within the stipulate time of three days, but such statement of Party No.1 is not correct, as the workman had submitted the duplicate copy of the acceptance letter within the stipulated time by signing the same with date and therefore, the workman is entitled for the reliefs claimed by him.

Per contra, it was submitted by the learned advocate for the Party No.1 that the workman neither submitted his consent for the post of Special Assistant within time nor reported at Tirora Branch for discharging the duties of Special Assistant and as such, the workman was not entitled for Special Allowances and the workman kept mum for about 20 months and continued to work in the same capacity at Gondia Branch and opted for VRS for higher benefits with regard to pension, provident fund etc. and thereafter, for the first time on 10-2-2001 demanded special allowance and took VRS on 31-3-2001 and as the workman did not perform duties at Tirora Branch, he is not entitled for the allowances.

- 7. The first part of the schedule of reference is regarding denial of promotion and the 2nd part is denial of consequential special allowance to the workman. However, it is clear from the pleading of the parties and the materials on record that the workman was offered with the promotion of Special Assistant. So, now, it is to be considered as to whether the workman is entitled for special allowance. The offer letter issued by the Bank to the workman has been marked as Exhibit W-V. On perusal of the said offer letter, it is found that the conditions required to be fulfilled by the workman were mentioned in the same. The conditions as mentioned in the offer letter are as follows:—
  - (i) The workman was to return the duplicate of the offer letter duly signed by him in token of his acceptance of the offer of appointment by 30-7-1999.
  - (ii) He had to report at Tirora Branch on 31-7-1999 after availing the period as journey-cum-joining time
  - (iii) The duties and responsibilities of Special Assistant were to be discharged at Tirora Branch, and
  - (iv) Allowance to be paid after reporting at the designated branch at Tirora.

The workman has not filed any document to show that he had returned the duplicate of the offer letter duly signed by him in token of his acceptance of the offer. The other documents submitted by the workman show that his request for payment of special allowances was refused by the Bank on the ground of his not submitting the acceptance letter and not working as Special Assistant. It is also found from the documents that his application for

supply of a copy of the acceptance letter was rejected by the Bank on the ground of non submission of any acceptance letter by him. The copy of the offer letter submitted by the Party No.1 shows that the workman made endorsement on the copy of the offer letter "Received" and signed the same with the date 28-7-1999. Such endorsement does not show that the workman accepted the offer given to him. It is admitted by the workman that he did not join at Tirora and worked at Gondia Branch till his retirement. According to him, the Manager did not relieve him. However, the materials on record show that he had never asked to relieve him, even if, it is believed that the Manager did not relieve him and he remained silent till 10-2-2001 and without joining at Tirora and working as Special Assistant, demanded for special allowance. It is clear from the materials on record and evidence adduced by the parties that the workman did not ful fill the conditions as given in the offer letter. He did not submit any consent letter of acceptance of the offer. He did not join at Tirora and he also did not work as Special Assistant at Tirora Branch. Hence, the workman is not entitled for the special allowances of Special Assistant. Therefore, it is ordered.

#### ORDER

The action of the management of State Bank of India, Region-I, Nagpur (M.S.) in denying Special allowance to Shri R.G. Padole, Sr. Assistant, Gondia Branch of the bank is proper and justified. The workman is not entitled to any relief.

#### AWARD

(Dated: 15th September, 2010)

This order arises out of the petition, filed by the management for dismissal of the reference.

2. The case of the management is that the reference has been made by the Central Government in exercise of the power conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Dispute Act, 1947 (14 of 1947) for adjudication of the Industrial dispute between the State Bank of India, Nagpur, the employers and their Union State Bank Karmachari Sena, as per letter No. L-12011/56/2008/IR(B-I) dated 18-9-2009 with the schedule as to "Whether the action of the management of Sate Bank of India, Nagpur in denying the compassionate appointment to Smt. Usha Namdeo Akhade wife of late Namdeo Akhade, Ex-messenger ignoring her future liabilities is justified? If not, what relief is the person concerned entitled to?", and the union has challenged the action of the Bank in rejecting the case of appointment on compassionate ground of the widow of the deceased late Namdeo Akhade who was an employee of the bank and the reference in question is not an industrial dispute between the employer and the workman, but it is a dispute between the legal heir of a deceased employee and the employer of the deceased employee and on collective and harmonious reading of the definitions of "industrial dispute", "workman" and provisions of Section 2-A of the Industrial Disputes Act, it can be found that any dispute or difference between the workman and the employer in connection with the employment or non-employment or terms of employment or conditions of labour are industrial dispute and definition of "industrial dispute" does not include the dispute between a legal heir of the workman and the employer and similarly, the definition of "workman" which is also very wide, does not include a legal heir of the workman, even though it includes an apprentice and any person, who has been dismissed, discharged or retrenched in connection with, or consequence of that dispute and according to Section 2-A, individual workman, who has been discharged,

dismissed or retrenched or otherwise whose service has been terminated, when raises the dispute with his employer, can be deemed to be industrial dispute and as such, this Tribunal lacks inherent jurisdiction to decide the reference on merit and as such, the reference is not maintainable and the same is liable to be rejected and the above issue goes to the root of the case and therefore is necessary to be decided as a preliminary issue, before proceeding with the case, as held by the Hon'ble Supreme Court in the case of Garrison Engineer (Utility) Bhatinda Vs. Shri Narinder (2008) 1 SCC(L & S) 670.

3. The Union has resisted the petition by filing its reply pleading inter-alia that the application is not maintainable, as the Tribunal has to decide all the issues at a time and there is no provision for piece-meal trial and the present dispute has been raised by the State Bank of India Karmachari Sena, which is duly registered under the Trade Union Act, 1926 and the dispute is about change in service condition covered by Section 9-A of the Industrial Disputes Act and the dispute is filed by the union and due to withdrawal of granting of appointment on compassionate ground, there is change in the service condition and the dispute can be treated as an industrial dispute covered by Section 2-A and in the present case, management has totally changed the service Rules about employment of dependant of deceased workman and the change brought in will affect the existing employees also, and the challenge is to withdrawal of customs and usage applicable to dependents of ex-employee and the policy of compassionate appointment has been revised by the management arbitrarily and the new scheme was circulated on 1-8-2002, without notice to the union and therefore, the judgment of various courts are not applicable to the present case.

4. Facts necessary for the disposal of the application can be stated as follows:—

On receipt of the reference, notices were sent to the parties and in response to the notice, the Dy. General Secretary, State Bank of Karmachari Sena, on behalf of Smt. Usha Namdeo Akhade filed the statement of claim stating that late Namdeo Akhade, while working as a messenger at Gadchiroli Branch, State Bank of India, died prematurely on, 14-7-2005 and the family of late Namdeo Akhade did not get any retiral benefit and the family pension payable to the family is Rs. 1470 per month from 15-7-2007 and apart from the widow, late N.G. Akhade is survived by two sons, who are taking education and the family of late N. G. Akhade cannot manage their livelihood with Rs. 1470 per month and the last take home salary of late Akhade was Rs. 4112 and the rejection of the claim of the widow on the alleged sound financial condition and on the ground that the scheme for compassionate appointment has been amended on the basis of guidelines issued by the Government of India and suggestions from the Indian Banks Association,

which is not registered as per law, was quite illegal and the Government of India cannot direct the Banks to make illegal changes and the Indian Banks Association is not the employer of the employees of Party No.1 Bank and cannot take any policy decision, without giving notice of change and consultation with the employees, unions, and therefore, the new scheme for appointment on compassionate ground is totally illegal and cannot be applied to the Party No. 2 and its members and providing employment on compassionate ground has become the custom and condition of service and by virtue of the new scheme, the said condition has been changed, adversely affecting the rights of the employees and their dependents.

5. The bank also filed its written statement raising preliminary objection regarding the maintainability of the reference on the ground that the dispute in question is not an industrial dispute and this Tribunal has no jurisdiction to adjudicate the dispute. The Bank has also pleaded that appointment of the dependent of a deceased employee on compassionate ground is not a matter of right and the change made in the scheme for appointment on compassionate ground cannot be treated as a change in the service condition and as such the union has no authority to agitate the matter. The bank also in its written statement has denied the allegations made by the union pleading inter-alia that the Bank has framed the scheme in 2003 in respect of compassionate appointment and the union was well aware of the same and at the time of the death of Namdeo Akhade, no scheme of compassionate appointment was in vogue and hence, Smt. Usha Akhade could not have applied for the same and various terminal dues and benefits were given to the family and the family is getting more than Rs. 2000 per month and the claim of the widow for compassionate appointment was not rejected solely on the alleged ground of sound financial condition and the union is challenging the legality of the scheme framed as per direction of the Government and Indian Banks Association, which is Apex body of Banks in this case and this Tribunal is not the proper forum for the same and the reference is also not made about the legality of the scheme and appointment on compassionate ground is not a service condition and framing of scheme for compassionate appointment cannot be termed as change in service condition requiring notice to the union and smt. Usha Akhade is not entitled for appointment on compassionate ground.

6. At the time of hearing of the application, it was submitted by the union that the Tribunal cannot determine the question of jurisdiction separately and the Tribunal is required to take into consideration all the issues involved in the case for determination together. On the other hand, it was submitted by the management that as the jurisdiction of the Tribunal has been challenged to decide the reference,

on the ground that the dispute in question is not an industrial dispute, it is necessary to determine the same at first. In support of such contention, reliance has been placed by the learned advocate for the management on the decisions reported 2007 (II) CLR 527: 2008(1) see (L & S)-670 (Garrison Engineer, (Utility) Batinda Vs. Sri Narinder). In the decision reported in 2007 (II) CLR 527 (supra), the Hon'ble Apex Court have held that Additionally the Legal issue regarding maintainability of the reference was not considered, Right from the beginning of the proceeding before the Labour Court and the High Court, appellant had taken specific plea that the Act was not applicable to it and it was an industry. Unfortunately, neither the Labour Court, nor the High Court dealt with this issue.

In the above case, the Hon'ble Apex Court set aside the award and the order of the Hon'ble High Court and remitted the matter to the Labour Court back to decide the objection raised by the appellant about the maintainability of the proceedings under the Act, founded on the claim that it is not an industry. It was further submitted by the learned advocate for the Bank that in view of the decision of the Hon'ble Apex Court reported in (2011) 1 SCC (L&S)-150 (State Bank of India and another Vs. Raj Kumar), the reference is also not maintainable. In view of the principles enunciated by the Hon 'ble Apex Court, I hold that it is necessary to determine at first, as to whether this Tribunal has jurisdiction to adjudicate the dispute, as the management has raised the objection that the dispute in question is not an industrial dispute.

7. First of all, I will take up the submission made by the union that the rejection of the application filed by Smt. Usha Akhade for compassionate appointment amounts to change of service condition of the employees under section 9-A of the Industrial Disputes Act. After perusal of the materials on record including the statement of claim and the written statement and taking into consideration the definition of "workman" and "industrial dispute" as provided in the Industrial Disputes Act, 1947, I find no force in the contention raised by the union, due to the following grounds:

"From the schedule of reference, it is found that the Government has referred the dispute to decide as to whether denial of compassionate appointment to Smt. Usha Akhade on compassionate ground ignoring her future liabilities is justified or not and if not justified, then to what relief she is entitled. It is also well settled that the Tribunal cannot go beyond the reference and decide other matters beyond the reference. The reference has been made by the Government to find out the individual case of Smt. Usha Akhade. So, on the guise of espousing the cause of Smt. Usha Akhade, the union cannot agitate the issue that the change adopted by the bank regarding compassionate appointment amounts to change of service condition. It is clear from the pleading that the union had never raised any objection with the Bank or the Government at the time when the bank

made change in the scheme of giving compassionate appointment and thereafter also.

In the decision reported in (2011) 1 SCC (L & S)-150 (Supra), the Hon'ble Apex Court have held that "A Compassionate Appointment—Power to abolish/modify scheme—Pending application under a previous abolished/modified scheme-Effect of—Held, claim for compassionate employment is traceable only to specific scheme framed by employer therefor and there is no right whatsoever outside such scheme—As compassionate appointment is a concession and not a right, the employer may wind up or modify the scheme at any time, depending upon its policies, financial capacity and availability of posts."

- 8. It is found from record that the union had not challenged the legality of the scheme in the appropriate forum, when the scheme came into operation. From the pleadings of the union and so also the principles enunciated by the Hon'ble Apex Court in the decision as mentioned above, it can be stated that change in the scheme of appointment on compassionate ground cannot be said to be a change in the service condition and as such there was no question of giving any notice under Section 9-A of Industrial Disputes Act.
- 9. On perusal of the definition of the "industrial dispute", as mentioned in Section 2-K and definition of "workman" as mentioned under Section 2-S and Section 2-A of Industrial Disputes Act, 1947, it is found that the applicant Smt. Usha Akhade cannot be treated as a workman and the dispute also cannot be treated as an industrial dispute, even though the union has raised the dispute on behalf of the claimant. As it is held that the claimant is not a workman and the dispute is not an industrial dispute, it is held that this Tribunal has no jurisdiction to adjudicate the dispute. Hence, the petition filed by the management is allowed and it is ordered:

#### ORDER

The industrial dispute as referred by the Government is dismissed on the ground that this Tribunal has no jurisdiction to decide the same, the same being not industrial dispute.

The reference is disposed of accordingly.

#### **AWARD**

This petition under Sec. 2 A (2) of the I.D. Act, 1947 has been filed by Sri Ch. Balarama Murthy, an ex. Employee of Life Insurance Corporation of India challenging the order of dismissal dated 2-1-1991 and for reinstatement with continuity of service with full back wages.

It has been alleged by the Petitioner that he was appointed as office assistant by Respondent corporation at Life Insurance Corporation of India office, Rajole branch, East Godavari district. Subsequently he was transferred to Amalapuram branch. While working at Amalapuram branch Petitioner was served with charge sheet dated 29-11-1990 alleging therein that Petitioner collected money from the policyholders which was not remitted immediately to corporation. The following charges were framed against him:

"Charge No 1: During the course of your work as Cashier in Amalapuram branch office, you collected by cash on 5-6-1990 the renewal premium and L.F. of Rs.1500 pertaining to Policy No.690113476 on the life of Shri G. Venkata Rao and issued him our official receipt by the said amount was not accounted for in the Cash Book on that date.

Charge No.2: Further, you collected another amount of Rs. 234.40 ps under Policy No. 46968694 on 4-5-1990 and issued the O.R. but the same had not also been accounted for in our branch on that date.

Charge No.3: It is clear that you had collected money from the policyholders but had failed to remit them immediately to the corporation."

- 3, Basing on the above charges, worker's explanation was called for in form of 'Yes' or 'No'. Petitioner was forced by the Branch Manager to admit the charges and tendered unconditional apology by way of resignation with the assurance that corporation will not accept the resignation for the minor misconduct and minor punishment will be imposed on Petitioner. The Petitioner forwarded the explanation-cum-resignation on 4-12-1990. The corporation did not accept the resignation but issued show cause notice dated 12-12-1990 to show cause why penalty of dismissal of service be not imposed on him? On the basis of alleged resignation, the Petitioner was removed from service by order dated 2-1-1991 with immediate effect. No disciplinary proceeding was initiated, no enquiry was held, no opportunity of hearing was given to the Petitioner or no person was examined to establish the charges. Entire action is violative of principles of natural justice and hence it deserves to be quashed.
- 4. Management has filed counter. It has been alleged that the charge sheet was issued on 29-11-1990 by Senior Divisional Manager. The Petitioner collected renewal premium with late fee of Rs.1500 from Policyholder No. 690113476 on the life of Sri G. Venkata Rao and issued official receipt but the said amount was not accounted in the cash book on that date. He further collected another amount of Rs. 234.40 ps under Policy No. 46968694 on 4-5-1990 and issued the official receipt. The same was not accounted for immediately in the Respondent's corporation's account. It is expected from the Petitioner to maintain absolute integrity and devotion towards duty as per LIC Staff regulations 21-24-34 and 39(1) for which explanation was asked from the Petitioner where he admitted

his guilt. It was further mentioned that if he agrees to the charges, he should submit his explanation within 10 days. It was not asked to answer 'Yes' or 'No'. The Petitioner submitted his explanation-cum-resignation without any allurement or assurance. He stated that "I admit the charges placed in your letter and I formally plead guilty of the charges". The Petitioner was discharged from the service on his own request. He submitted his resignation voluntarily, no illegality or irregularity has been committed. There is no violation of the Article 311 of the Constitution of India as full and fair opportunity was afforded to the Petitioner. Petitioner did not appeal before the Appellate Authority against the order of dismissal as prescribed under Rule 40 of LIC Staff Regulations, 1960. The Petitioner has filed this petition after a lapse of 17 years without any reason or without any valid cause. Petition deserves to be dismissed.

- 5. Both parties have filed their respective evidence. Petitioner workman has filed his affidavit and filed five document Ex.WI to W5 and has presented himself for cross examination and he was cross examined at length, Management has filed affidavit of Y. Mercy Manoranjani, Manager-Personnel and Industrial Relations and has present for cross examination and has been cross examined at length.
- 6. I have heard both the parties and I have gone through the evidence of the parties.
- 7. Heard Learned Counsels for both the parties and they have filed written arguments as well.
- 8. It has been argued by the Learned Counsel for the Petitioner workman that in this matter there was charge of temporary misappropriation of corporation's funds but no departmental enquiry was conducted in the matter nor any explanation was called for from the Petitioner workman nor any evidence was produced on behalf of the management nor opportunity was afforded to the Petitioner to present his own witnesses as such, there is complete violation of principles of natural justice before imposing the punishment of dismissal. He has relied on the case law of Hon'ble High Court of A.P., reported in 1994 LLN (1) 468 equivalent to 1994 LAB IC (0) 1199 equivalent to 1994 LLR(0) 297 between P. Ramesh Babu Vs. Andhra Pradesh State Road Transport Corporation. He has further relief on the case law reported in 2007 (4) SCC 492 between Secretary, Technical Education Vs. Lalit Mohan Upadhyay. Principles of natural justice was not followed in this case and enquiry was not conducted.
- 9. On the question of delay and latches no fault can be find with the Petitioner. He has argued that under Sec. 2A(2) of the Industrial Disputes Act, 1947 no time limitation has been prescribed for filing claim petition as such, even if the Petition has been filed even after 17 years of the dismissal of the Petitioner from service, petition can not be dismissed on the ground of delay and latches.

- 10. Against this argument of Learned Counsel for the Petitioner worker, Respondent's counsel has also filed written arguments and has argued that Petitioner was issued with the charge sheet and he was asked to explain or submit his explanation against the charge sheet to which vide his letter dated 4-12-1990 Petitioner filed his written reply wherein he has stated that "Ladmit the charges placed in your letter are correct and I formally plead guilty of the charges." Since the Petitioner himself admitted to the charges, Respondent management decided to dispense with the enquiry and issued show cause notice dated 12-12-1990 proposing penalty of dismissal from the service. Petitioner submitted his resignation also vide his letter dated 4-12-1990 stating therein, "I hereby formerly tender my resignation from the post of Assistant in the Life Insurance Corporation of India. I request you to kindly accept the same and kindly relieve me immediately." A show cause notice was issued thereafter to Petitioner against which Petitioner sent his letter dated 28-12-1990 acknowledging the receipt of earlier letter dated 12-12-1990 and assured that he has no further explanation to offer. Thereby the Petitioner was given opportunity of hearing to which he himself has pleaded guilty in writing and thereafter he has tendered separate resignation letter. On the basis of which punishment was proposed and show cause notice was given to him to which he has written that he has no further explanation to offer. Thereafter the order of removal has been passed. Thereby the principles of natural justice has not been violated in this case. Petitioner was given ample opportunity to defend himself and place himself before the Enquiry Officer or Disciplinary Authority.
- 11. It has further been argued by Learned Counsel for the Respondent, that the Petitioner has filed this petition after lapse of 17 years and no legal or valid reason has been assigned by the Petitioner for filing this petition after much delay as such, petition deserves to be dismissed on this ground alone. He has relied on the case laws reported in 2007(4) SCC 492 of Hon'ble Supreme Court, AIR 1992 SC 2188 and 1999(7) SCC 332 wherein Hon'ble Supreme Court has held that when a delinquent employee admits the misconduct or guilt, enquiry is not necessary.
- 12. I have considered the above said argument of the Learned Counsel for the parties and now I have also gone through the entire material placed before this Tribunal.
  - 13. This Tribunal has to consider the following points:
- (I) Whether the action of management in terminating the services of the Petitioner is legal and justified?
- (II) Whether the Petition is barred by limitation and suffer from delay and latches and what relief the Petitioner is entitled?
- 14. Point No. (I). It is admitted case of the parties that the workman was cashier at the alleged period of misconduct and he collected Rs.1500 per to the Policyholder No. 690113476 of Mr. G. Venkad Rao which he

did not account for the cash book on the same date. It is further admitted case that he collected an amount Rs. 234.40 ps under policy No. 46968694 on 4-5-1990 from policyholder but did not account the same on the same date. It is also admitted that Petitioner was issued with a charge sheet to which the Petitioner has submitted his reply. The Petitioner himself has filed his reply dated 4-12-1990, Ex.W3 wherein he has written that he admitted the charges placed in the letter of the management and he pleaded guilty of the charges. The contention of the Petitioner's counsel is that through the charge sheet dated 29-11-1990 Petitioner was directed to reply either "Yes" or "No".

15. I have considered this aspect of the matter and I have perused the charge sheet issued to the Petitioner workman which has been filed by the Petitioner as Ex. W2 wherein it has been written by the management that "Before, however, proceeding further in the matter you are required to state in writing within 10 days from the receipt of this charge sheet where you admit guilty to the aforesaid charges. If 'Yes', a statement of admission and if 'No' a statement of denial along with a list of witnesses by whom and a list of documents by which you propose to defend your case may be submitted to the undersigned within the aforesaid period. If no reply is received within the aforesaid period, further proceedings shall ensue without any reference to you". Thus, the document filed by Petitioner i.e., Ex. W2 in support of the contention of the Petitioner shows that management directed the Petitioner to reply within 10 days of receipt of charge sheet and the charges levelled against the Petitioner, the management has not directed the Petitioner reply Yes or No but it is stated that if he pleads then 'Yes' and his willingness to plead guilty be communicated to the management, in case of denial, 'No' and the content, and the statement he want to produce before the management. This does not mean that management desired the reply of charge sheet either 'Yes' or 'No' words. Thus, the very contention of the Petitioner that he was asked to reply either 'Yes' or 'No' is unfounded, baseless and against the truth. Moreover, the Petitioner himself has filed Ex, W3 by means of which he submitted his reply against the charge sheet received by him, wherein the Petitioner has written that,

"I admit that the charges placed in your letter are correct and I formerly plead guilty of the charges. However, Sir, I may be permitted to state that I was temporarily caught in very serious family problems and I needed financial assistance. Due to the worry and strain of the situation, I momentarily lost my balance of mind and committed the irregularities. Having realized the gravity of my actions, I tried to undo the mistakes and repaid all the amounts. But for this, I present no other proof of my sincerity and honesty. Having thought the effect of my actions, I have come to the conclusions that it would not be possible for me to continue in the service. I therefore

have decided to tender my resignation to LIC. I humbly request you to accept the same and permit me an honourable relief."

16. Thus, own document of the Petitioner worker filed before this Tribunal prove that the Petitioner received the charge sheet, he himself has admitted that he temporarily misappropriated money collected from the policyholder and had utilized it for his personal gain when he realized the mistake he has repaid the amount. This prove that the Petitioner has misappropriated the money of the corporation for his personal gains. The Petitioner has voluntarily admitted the act of misappropriation. He has not been able to plead or place before the Disciplinary Authority that he was forced by any other person of the corporation or from outside agency to admit his guilt. Not only that the Petitioner has tendered his resignation which is on a separate piece of paper which has been filed before this Tribunal, has been proved that the Petitioner has not tendered his resignation by way of admission of the guilt but he tendered his resignation after pleading guilty and thus, it is amply proved that there was no allurement or any compulsion or any assurance from any of the outside agency to plead guilty by the Petitioner. The action of pleading guilty by Petitioner is his own voluntary act and the management has not committed any mistake in accepting the resignation of the Petitioner and before acceptance of the resignation, a show cause notice was issued to the Petitioner proposing punishment of dismissai from the service, as such, there is no violation of the principles of natural justice or violation of principles laid down under Article 311 of the Constitution of India. The management has not committed any illegality in removing the Petitioner from the services of the corporation. The case law cited by the Petitioner worker is not applicable in this case.

17. Learned Counsel for the Respondent relied on case law reported in 2007(4) SCC 492 in the matter of Secretary, Technical Education, U.P. and others Vs. Lalit Mohan Upadhyay and another, the Petitioner has tendered his resignation and before dismissal from service he has not withdrawn his resignation as such, the action of management in removing the Petitioner from service can not be said to be illegal. So far as the violation of principles of natural justice is concerned the Learned Counsel for the Respondent has relied on the case law reported in 1999(7) SCC 332 in the matter of Dharmarathmakara Raibahadur Arcot Ramaswamy Mudaliar Educational Institution Vs. Educational Appellate Tribunal and another, wherein Hon'ble Supreme Court of India has held that there is no necessity of enquiry when one admits violation. In the present case also clear cut charges were levelled against the Petitioner regarding his misconduct of misappropriation of fund of the corporation by the Petitioner who has voluntarily admitted the charges as such, there was no question of conducting any enquiry in the present case.

This case law is fully applicable in the present case as such, the action of management cannot be said to be illegal and unjustifiable. Point No. (I) is decided accordingly.

- 18. Point No. (II). So far as the question of limitation is concerned no doubt, the legislature in its wisdom has not prescribed any limitation for filing a petition under Sec. 2A(2) however, in a matter when the Petitioner of a case filed or challenged the termination order passed 21 years back Hon'ble Supreme Court held that the petition is barred by limitation and delay and latches. Petitioner worker has not been able to prove before this Tribunal that the action of management in terminating his services on the ground of his plea of guilt is either unjustifiable or illegal as such, he is not entitled for any relief. Point No. (II) is decided accordingly.
- 19. From the above discussion, this Tribunal has come to the conclusion that management of Life Insurance Corporation of India has rightly removed the Petitioner from services and he is not entitled for any relief. Petition deserves to be dismissed and hence this award.

Award passed accordingly. Transmit.

#### **AWARD**

Sri G. Upender Reddy an Ex. Employee of Nagarjuna Cement Ltd., has filed this petition under Sec. 2 A (2) of the I.D. Act, 1947 for quashment of the dismissal order dated 7-5-1985 and to reinstate him in the service with full back wages.

2. It is alleged by the Petitioner that he was appointed as permanent employee on 2-1-1984 as Fitter on

monthly salary of Rs. 400. He worked with the management to the utter satisfaction of the Respondent and without any adverse remarks.

- 3. It has been alleged that Petitioner and other workers formed union by name Nagarjuna Cement Limited Worker's Union registered No. 4-897 dated 30-4-1984 and union raised a charter of demand before the management to implement the minimum wages scales to the workers as prescribed by Government of Andhra Pradesh which was not accepted by the management. Then, Petitioner's union submitted a representation to the management to go on strike from 25-7-1984 for which the Respondent terminated the services of 65 workers. The management also filed criminal case vide C.C.No.148, 452, 427,307 R/w Sec. 34 and 307 Read with 149 Indian Penal Code which was referred to Sessions Court Judge, Miryalguda vide criminal dase No. 84 of 1985. This case was resulted in acquittal from Sessions Court by order dated 19-10-1991. Since then, the Petitioners were approaching the management to reinstate the workers. They have made representation dated 8-2-95 but no action was taken. The management submitted letter to the Assistant Labour Commissioner, Government of Andhra Pradesh that matter is pending for consideration before in the Hon'ble High Court of A.P., Hyderabad and the matter is subjudice.
- 4. It has further been alleged that Respondent issued dharge sheets dated 12-9-84 and 16-1-85 which were not received by the Petitioner. He has further alleged that a \$how cause notice dated 14-9-84 was issued but that notice was also not served on the Petitioner and the Petitioner was dismissed from service vide order dated 7-5-85. The action of management is illegal, unwarranted and against the principles of natural justice. The alleged enquiry conducted by the management suffer from procedural irregularities and principles of natural justice. The enquiry is perverse, illegal and invalid. The Petitioner is victimized for the active participation in the trade union activities which is illegal and unfair labour practice and deserves to be quashed and hence, this petition.
- 5. Counter statement has been filed by the management wherein it has been alleged that Petitioner was a trainee welder-cum-fitter. He was appointed on 2-1-1984 and he was unauthorizedly absented from duty since 2-9-84 without prior intimation or sanctioned leave. He was irregular to his duties on several occasions, he overstayed when he was on sanctioned leave. Show cause notice was issued to him but he did not attend to his duty. A charge sheet was issued to him but he refused to receive the charge sheet. The same was sent through registered post which was returned unserved. The Petitioner wrote a letter dated 30-1-1985, stating that he was involved in criminal case and he was on conditional bail. He promised to join duty after fulfilling the condition in respect of bail. Management issued enquiry notice dated 4-2-95 which too was returned unserved with an endorsement 'out of station'. Petitioner worker wrote a letter dated 13-2-1985

to the management stating therein that notices were served to some of the workers to attend enquiry at administrative office but the same has not been received by the workman, he also informed that he is on conditional bail. It has further been alleged that in order to given opportunity after receipt of the letter of the Petitioner the management issued enquiry letter dated 22-2-1985 which was received by the Petitioner worker. The notice of enquiry and imputations of charges were got published in Eenadu News paper dated 5-3-1985 even thereafter the Petitioner did not attend the enquiry nor send any letter. Full and fair opportunity. was given to the Petitioner which he did not avail. The enquiry proceeded ex-parte and after the evidence of the management Enquiry Officer submitted his finding holding that the charges against the Petitioner were proved. The management has proved Ex. Ml to M18 by averments of counter affidavit/statement and has alleged that Petitioner has remained absent without any intimation. The management has alleged that Petitioner was dismissed in the year 1985, he has filed this petition after lapse of 21 years and no justification has been given for non-filing of this petition within a reasonable period. They have relied on the case law reported in 2005(1) LLJ in the matter of Haryana State Cooperative Land Development Bank and Neelam in which case Hon'ble Supreme Court held that presentation of petition after seven years from the date of dismissal was unjustifiable and petition was dismissed on the ground of delay and latches. The management further relied on the case Law reported in AIR Supreme Court page 839 equivalent to 2000 (1) LLJ page 561 in the matter of Nedungudi Bank Ltd., Vs. K.V. Madhav Kutti and others. The management has further relied on case law reported in 2005(1) LLJ, Director, Food and Supplies, Punjab and another Vs. Aswini Kumar and another in which it was held that delay of 9 years by workman in claim relief given on facts held reference and claim had to be rejected for delay and latches. On the basis of pleas, the management has alleged that the Petitioner's claim is barred by limitation and deserves to be dismissed.

- 6. Both parties have filed their respective evidences. Petitioner has filed xe: ox copies of judgement in his criminal case in S.C.No. 84/1985, dismissal order dated 7-5-1985, representation and letter to ACL, Nalgonda by Respondent. Respondent has also filed domestic enquiry proceedings and notices etc.
- 7. Before entering into the merits of the case, the matter was posted for hearing on the question of legality and validity of domestic enquiry. Since Petitioner or his counsel did not appear to challenge the validity and legality of the domestic enquiry, on 16-2-2009 this Tribunal held that the domestic enquiry was legal and valid and the matter was posted for hearing the parties under Sec. 11A of the Industrial Disputes Act, 1947.
- 8. Petitioner workman has filed his written arguments and also made oral submissions. No reply has been given by the management. This Tribunal has to consider the following points:

- (I) Whether the action of the management in terminating the services of the Petitioner vide order dated 7-5-1985 is legal and justified or not?
- (II) Whether petition is barred by limitation and to what relief if any the Petitioner is entitled for?
- 9. Point No. (I): It has been argued by Learned Counsel for the Petitioner worker that Petitioner was not served with the charge sheet. Petitioner went on strike after giving notice to the management and thereby in the absence of Petitioner the enquiry was conducted. No evidence was produced before the Enquiry Officer. The entire domestic enquiry was conducted violating the principles of natural justice. The main contention of the Petitioner's counsel is that Petitioner was not given opportunity to represent his case and put his defence before the Enquiry Officer. I have considered the argument of Learned Counsel for workman, from the perusal of the enquiry proceeding record it appears that the notice of the enquiry was issued to the Petitioner and it was published in newspaper copy of which is available on the record. Again notice of enquiry was issued to the Petitioner to remain present along with charge sheet, after which letter dated 30-1-1985 from the side of delinquent employee, Sri G. Upender Reddy was sent to management stating that "he is on conditional bail living at Huzurnagar, some of the workers have received charge sheet; but he has not received any charge sheet". This shows that Petitioner was aware of the enquiry proceeding, though he has stated that he has not received the charge sheet but some of his co-workers have received the charge sheet. If he was not aware of the enquiry proceeding and the content of the enquiry why he wrote this letter to the Managing Director, Nagarjuna Cements Ltd., is a proof that the Petitioner was aware of the enquiry proceeding. He has willfully absented and did not participate in the enquiry. Moreover, the enquiry proceeding though challenged through claim statement was not challenged before this Tribunal when the matter was posted for hearing on the question of legality and validity of enquiry proceeding and this Tribunal was constrained to come to the conclusion that the enquiry proceeding was legal and valid vide its order dated 16-2-2009. That order has not been challenged by the Petitioner worker.
- 10. The Learned Counsel for the Petitioner worker has simply argued that notices were not issued to the Petitioner but, the enquiry proceeding file prove that notices were issued, proper and fair opportunity was afforded to the Petitioner who did not avail the opportunity as such, the Enquiry Officer was constrained to proceed ex-parte against the Petitioner. This material fact has been mentioned by the Enquiry Officer in his enquiry report and he has directed the management to produce its evidence who has examined Sri Ch.V.L. Narasimham as MWI who stated that Petitioner is absent from duty w.e.f 2-9-1984 onward without any information and without any leave. Why the Petitioner remained absent from duty from

- 2-9-1984 onwards has not been explained by the Petitioner. Even if the Petitioner and other workers gave notice for strike call, the strike can not be for an unlimited period. Moreover the cause of absence has not been explained by the Petitioner either before the Enquiry Officer or before this Tribunal.
- 11. Petitioner has mentioned in his claim statement that he was involved in a criminal case which has resulted in acquittal as such, dismissal order could not have been passed but the management has not dismissed the Petitioner from service on the ground of his involvement in the criminal case. The Petitioner was dismissed from service on the ground of his misconduct i.e., unauthorized absence from duty without any intimation to the management. For his absence Petitioner has not explained any reason as such, it can not be said that the absence of the Petitioner was for reasonable cause or valid reason. Even if the Petitioner was involved in the criminal case and the acquittal ended in the year 1991, according to the own pleas of the Petitioner he was released on the bail, then why he did not attend to his duty during bail period has not been explained by worker. Was there any condition imposed by bail granting Court that Petitioner will not attend his routine work or duty during the pendency of criminal case has not been stated by worker, what was the condition of the bail has not been brought forward by the Petitioner, this shows that the Petitioner has concealed material facts from this Tribunal. He remained absent voluntarily and intentionally without any reasonable cause or excuse. Once he proceeded on strike he did not return to resume his duty. He did not inform his superiors about his absence and reason of his absence. He did not appear before Enquiry Officer nor explained about his absence as such, on the basis of the evidence produced by the management, Enquiry Officer's finding was justified that Petitioner was absent without any reasonable cause and the finding of the Enquiry Officer can not be said to be perverse or illegal. This Tribunal is also of the opinion that as per his own pleadings the Petitioner went on strike, he did not attend the duty after 2-9-1984 onwards without any intimation to the management. Hence, management has not committed any illegality in dismissing the services of the Petitioner worker. Point No. (I) is decided accordingly.
- 12. Point No. (II): It is admitted case of the Petitioner that he was dismissed from service vide order dated 7-5-1985 and he has filed this Petition under 2A(2) of the Industrial Disputes Act, 1947 on 24-1-2005 i.e., after 20 years of dismissal from the service. He has not assigned any reason for not presenting this petition within any reasonable time though no limitation was prescribed under Sec.2A(2), though it has been amended now and three years period has been prescribed by the law. Even then, the reason of Petitioner's remaining silent for 20 years without challenging the order of dismissal appears to be non-justifiable. Hon'ble Supreme Court did not condone

the delay where petition was filed after 7 years. Hon'ble High Court of Punjab & Haryana quashed a reference which was made after 9 years as such, this Tribunal is of the opinion that the Petition suffers from delay and latches. Petitioner has not been able to establish that his absence from duty was for a reasonable cause either before the Enquiry Officer or before this Tribunal, as such, he is not entitled for any relief. Point No.(II) is decided accordingly.

13. From the above discussion, this Tribunal is of the considered opinion that the claim petition is unfounded, no interference is required in this case. Petitioner is not entitled for any relief, petition deserves to be dismissed and it is dismissed. Hence, this award.

Award passed accordingly. Transmit.

#### **ORDER**

An industrial dispute, filed by the claimant, without being referred for adjudication by the appropriate Government, was entertained under sub-section (2) of section 2A of the Industrial Disputes Act, 1947, for articulation of the dispute. An award was passed in the matter on 23-6-2011.

- 2. Now an application has been moved by Col. P. S. Sharma detailing therein that Sh. Shashi Bhushan Chaudhary, a Security Guard, was wrongly mentioned as gunman, in the award. A request has been made to make necessary correction in the award, in that regard.
- 3. Rule 28 of the Industrial Disputes (Central) Rules, 1957 provides for correction of errors. For sake of ready reference aforesaid rule is extracted thus:
  - "The Labour Court, Tribunal, National Tribunal or Arbitrator may correct any clerical mistake or error arising from an accidental slip or omission in any award it/he issues".
- 4. Clerical error can be defined as an error in a document which can only by explained by considering it to be a slip or mistake of the party preparing or copying it. Literally an error is said to be "clerical" where it is made by a clerk or some subordinate agent, but actually, it means an error committed in the performance of clerical work, whether by the Court, the draftsman of the Act or by the clerk. It is an error which cannot reasonably be attributed to the exercise of judicial consideration or discretion. Clerical error is in the nature of an inadvertent omission or mistake. The term "clerical error" which is amendable nunc pro tunc is distinguishable from a "judicial error" which

can be corrected only on review or an appeal. Reference can be made to precedents in Rosamma Punnose (AIR 1958 Ker. 154) and Mansha Ram L. Jagdish Rai (AIR 1962-Punj. 110).

5. Accidental slip occurs when something is wrongly put in by an accident and an accidental omission occurs when something is left out by accident. The expression "accidental slip" as occurring in Section 152 (new) of the Code of Civil Procedure was construed by the Federal Court in Sachindra Nath Kolya (5 DLR 68), wherein it was observed as a follows:

"It needs to be stressed that the keyword in the relevant phrase is "accidental" and it qualifies "omission" also, with the result that the procedure provided by section cannot be used to correct omission, however erroneous, which are intentional, not indeed in the sense of conscious choice, for no court, is supposed to commit an error knowing it to be such, but in the sense that the Court meant not to omit what was omitted".

- 6. Apex Court in Tulsipur Sugar Company Ltd. [1969 (2) S.C.C. 100] had occasion to consider correctional jurisdiction of the Labour Court constituted under the U.P. Industrial Disputes Act, 1947. In that precedent the Apex Court made reference to the provisions of Section 152 of the Code of Civil Procedure and rule 28 of the Rules and announced that power of correction of error is a limited one, which can be exercised only to cases where mistake, clerical or arithmetical or an error arising from an accidental slip or omission had occurred. It was ruled therein that this power is limited only to cases where clerical or arithmetical mistake or errors arising from an accidental slip or omission have occurred.
- 7. After ascertaining the scope of powers of correction of errors, available to this Tribunal, now it would be addressed as to whether mention of gunman in the award was on account of conscious choice of the Tribunal. Answer lien is negative. It was recorded on account of accidental mistake. This Tribunal has power to correct the accidental mistake. Accordingly, it is ordered that post of claimant, recorded as guiman may be read as Security Guard in the award. Ordered accordingly. The appropriate Government may be communicated of correction, so made, in the award, for publication.

It was ruled therein that this power is limited only to cases where clerical or arithmetical mistake or errors arising from an accidental slip or omission have occurred.
- 7. After ascertaining the scope of powers of correction of errors, available to this Tribunal, now it would be addressed as to whether mention of gunman in the awasd was on account of conscious choice of the Tribunal. Answer lien is negative. It was recorded on account of accidental mistake. This Tribunal has power to correct the accidental mistake. Accordingly, it is ordered that post of claimant, recorded as gunman may be read as Security Guard in the award. Ordered accordingly. The appropriate Government may be communicated of correction, so made, in the award, for publication.

### Reference No. 51 of 2005

Parties: Employers in relation to the management of Air India

#### AND

#### Their workmen.

Present: Mr. Justice Manik Mohan Sarkar, ...Presiding Officer

#### Appearance:

On behalf of the Management: Mr. R. Talukdar, Ld.

On behalf of the Workmen: Mr. A.P. Deb. Ld. Advocate.

State: West Bengal.

Dated: 26th September, 2011.

#### **AWARD**

By Order No.L-11012/42/2005-IR(CM-I) dated 6-12-2005 the Government of India. Ministry of Labour in exercise of its powers under Section 10(1)(d) and (2A) of the industrial Disputes Act, 1947 referred the following dispute to this Tribunal for adjudication:

> "Whether the demand of NSCBI Airport Ground Workmen's Union from the management of AIR India, NSCBI Airport, Kolkata to provide uniforms to the casual workmen at NSCBI Airport at par with their counter parts in regular service of the Company at Cochin International Airport is justified? If so, what relief are the said workmen entitled?"

- 2. When the case is called, Mr. R. Talukder, Ld. Advocate is present on behalf of the management. None is present on behalf of the workmen nor any step has been taken on their behalf. It is found from the record that after fresh notice on my assumption of office of this Tribunal, Mr. M.S. Dutta, Ld. Advocate appeared for the workmen on 25-05-2010 and thereafter on two subsequent dates 13-07-2010 and 02-09-2010, Mr. A.P. Deb, Ld. Advocate on record, appeared for the workmen. Since thereafter, from 16-11-2010 nobody was appearing for the workmen side nor any step was taken on their behalf. Since 16-11-2010 five dates are already passed and in the meantime on 19-5-2011 again a fresh notice under registered post with A.D. was sent to the Workmen Union's office and service has been ascertained on receipt of the A.D. Card with the endorsement of receipt by the office of the Workmen Union with its rubber stamp. On the fifth date also representation on behalf of the workmen was not there.
- 3. Conduct of the Workmen Union shows that they are not interested to proceed with the present matter any

more since the present matter was fixed for evidence on behalf of the workmen for long time. Rather they are reluctant to proceed any further. So, it is presumed that industrial dispute raised initially, is not presently subsisting and so the present reference is not needed to be proceeded with any further. Let it be disposed of with a 'No Dispute Award'.

An Award is passed accordingly.

#### AWARD

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947 the Central Government referred the industrial dispute between the management of M/s. Fertilizers and Chemicals Travancore Ltd. and their workmen to this Tribunal for adjudication.

- 2. The dispute is:
- "Whether the action of the management of M/s. Fertilizers and Chemicals Travancore Limited, Udyogmandal, Kerala to enhance the load norms, by the PH helpers from the norms of 25 MT per PH helper per shift and recovering certain amount for not having carried out with target of loading 28 MTs per PH worker per shift is justified? What relief the workmen are entitled to?"
- 3. After the receipt of the reference it was numbered as I.D.10/2011 of this Tribunal and summons was issued to the four unions and the management. After accepting summons first union and the management entered appearance through their counsel. Unions 2 to 4 did not enter appearance and thereby those unions were set exparte. Afterwards when the case stood posted for claim statement the first union remained absent without any representation in spite of several adjournments. Hence the first union was also set exparte.
- 4. As all the unions remained exparte without filing any claim statement it can be presumed that there is no existing dispute for adjudication. Hence an award can be passed holding that the action of the management to enhance the load norms specified in the above said dispute is justifiable.

In the result an award is passed to the effect that the action of the management of M/s. Fertilizers and Chemicals Travancore Ltd., Udyogmandal, Kerala to enhance the load norms by the PH helpers from the norms of 25 MT per PH helper per shift and recovering certain amount for not

having carried out with target of loading 28 MTs per PH worker per shift is justified and hence the workmen are not entitled to any relief.

The award will come into force one month after its publication in the official gazette.

#### AWARD

A dispute arose between employer in relation to the Management of Department of Post Offices and their workman through its contractor, the matter was brought before the conciliation officer by the workman but the conciliation officer submitted failure report to the Appropriate Government and then the Appropriate Government considering the Industrial Dispute existing between the employers and their workman referred the dispute to this tribunal for adjudication by order No. L 40012/89/2003-IR (DU)) New Delhi dated 31-7-2003 as per schedule

#### **SCHEDULE**

"Whether the action of the Management of Department of Posts, asking the workman to resign from service and then not to give the employment to Shri. D.N. Mehta is justified or legal? If not, what relief the workman is entitle for and since when?"

2. On receiving this reference notice were sent to both sides the management and the workman. The management of first party no. I appeared through its Lawyer Shri P.M. Rami executing the power in their favour at Ext. 3. The workman did not appear in spite of repeated notice. Even after notice was issued to the first party and the workman by this Tribunal on receipt of this record from the transferee Court State Industrial Tribunal, Ahmedabad vide order dated 19-10-2010 of the Ministry of Labour and Employment, New Delhi. The first party no.1 appeared before this Tribunal but the second party workman did not appear before this Tribunal. Dispute was raised by the workman regarding his termination and the second party workman had to support this reference by filing the statement of claim followed by leading the evidence in this case. But the second party workman appears to have lost interest to carry on with this reference case. The second party workman even has not filed a statement of claim in support of his claim in this case. Whereas on the other hand the first party principal employer by appearing in this case remained waiting for the statement of claim of the second party workman since long. In this circumstance the following order is passed:-

Record put up on 20-9-2011. On repeated calling out of the case none turned up on behalf of 2nd party workman. Ist party is present through its Lawyer. 2nd party workman has lost interest in this case.

This reference is dismissed for non-prosecution by the second party.

#### AWARD

A dispute arose between the employer in relation to Management of General Manager BSNL, Nadiad Telecom Distt, Sub-Divisional Engineer, BSNL, Telephone Exchange Ex-Bard Exchange GIDC and their workman Shri Salim Abdulbhai Vohra before the conciliation officer. And on failure of efforts of conciliation, the conciliation officer sent failure report to the appropriate Government. Then the Appropriate Government considering an Industrial Dispute between the employer and their workman sent this reference for adjudication by order of the appropriate Government, the Government of India Ministry of Labour and Employment/Shram Shakti Bhavan, Rafi Marg, New Delhi-110001, by its order No. L-40012/2232001-IR (DU) dated 23-11-2001, in exercise of power conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Dispute Act, 1947.

The Terms of Reference as per Schedule is as Follows:

"Whether the action of the management of BSNL (Telecom Department) in terminating the service of Shri Salim Abdulbhai Vohra is legal, proper and justified? If not, to what relief the concern workmen is entitled to and what other directions are necessary in the matter?"

- (2) In response to the notices to the party the second party workman and the first party management appeared in the case and filed respective statement of claim and written statement.
- (3) The case of the second party workman as per his statement of claim at Ext. 6 is that he was employed as a casual labour-cum- Wireman under the department of first party from 1-12-1988 and that since then the second party was doing all the duties as of a regular employee due to vacancy existing for the regular employment and was continuing his service to the full satisfaction of the department and he was performing the works of laying cable, wiring connection-and maintenance of work and fault repairing and was also doing the work of cleaning and look after the machinery and that he was working alike regular staff. But he was illegally removed from the work from 16-2-1995 without giving any rhyme and reason and without complying with the provision of sending retrenchment notice under Section 25 (F) of the ID Act, 1947 or providing notice pay, whereas the workman had completed more than 240 days of work in each calendar year, since the date of his engagement on 1-12-1988 till before his removal by oral order on 16-2-1995. The management of first party had adopted unfair labour practice and also adopted pick and chose policy by not following the principle of last come first go. Further case is that the management of first party allowed to continue the work of the casual labour who were junior to him but he was removed from the work. No notice or in lieu of it one month pay was given to him before taking recourse of

retrenchment under section 25 (F) of the ID Act. Further case is that he was putting his signature in the attendance register/muster rolls and according to his daily attendance his wage slip was being prepared and he was being provided monthly wages and the officers also used to provide certificates regarding his work on month wise basis, also mentioning about days of his work. Further contention is that all the original documents are in the custody of the department of first party who has to submits those documents in the court whenever order by this tribunal for the same. Further case is that in case connected with the casual works in the Post of Telecom Department the Hon'ble Apex Court vide judgment in AIR 1987 SC 2342 has directed to regularise those casual labourers who had completed 360 days of works all along in a year but in order to escape from the liability of absorbing the casual labourers, was purposely directing breakage of the casual labours job so that casual labourer could not achieve the fruit as per aforesaid judgment and order of the Hon'ble Apex Court. Further case is that after being removed from service by oral order, he tried his best to convince the officers of the management of first party by meeting all of them for taking him back in the service considering his continuous work in the department but no heed was paid and his all efforts went in vain. Further case is that there was no any cogent and legal ground to the management of first party in removing the second party workman from service and so action of the management of the first party through its officers in removing the second party workman from his work is illegal unwarranted and unjustified and is also in violation of the provision of the section 25 (F), 25 (G), 25 (H) of the ID Act, 1947, and the action of the first party is also against principle of natural justice and also against the Industrial Dispute Central Rules, 1977 and also violative of Article 14 and 16 of the constitution of India. On these grounds the second party workman has claimed for the relief of declaring the action of the first party in terminating/removing the second party from 16-2-1995 is illegal, unjustified and also violative of the provision of ID Act, 1947. Further sought for relief of his reinstatement in the job with full backwages and also for awarding cost of Rs. 5, 000 by way of compensation against the first party and for any other relief to which the second party is found entitle.

(4) The first parties through its written statement at Ext. 10 pleaded inter-allia that the reference is not maintainable and the workman has no cause of action and the reference is fit to be rejected since the reference is barred for delay and latches. The first party have denied the allegation made in the statement of claim parawise. The case of the first party is that its department is a Central Government undertaking engaged in the service of telecommunication and rendering the service through out the nation and that for appointing a regular and permanent employee advertisement is published and name

of the candidates are called for from employment exchange and qualified candidates are called for interview and after making the selection of candidates, the appointment is made. But the second party workman has not passed through the proper procedure as he was not regular or permanent employee but he was a casual employee working on the daily rated basis. Further case is that the first party has not violated the provision of section 25 (F) of the ID Act and that second party workman was terminated by retrenchment notice dated 13-1-1995 sending notice pay and retrenchment compensation to the workman. But the second party did not accept the notice pay and retrenchment compensation. More so money order was sent to his address which was return with the endorsement that addressee is out of station. Further case is that the department of BSNL is now executing the work of maintenance, laying cable etc. through contractual work under agreement which is been renewed from time to time and since after introduction of the contractual work there remains no need for the casual work of the second party workman so, he was removed from the work. Second party during his work was not getting any benefits apart from wages and he was doing work on requirement basis. However the first party in its written statement has not denied that the second party workman had not completed 240 days of work in every calendar year. It has been denied that the workman was illegally removed from the service. On these grounds prayer has been made that there is no merit in the statement of claim of the second party workman and so the reference is fit to be rejected.

- (5) Following issues are taken for consideration and determination in view of the pleadings of the parties in this case:
  - (1) Whether reference is maintainable?
  - (II) Whether the workman has got valid cause of action?
  - (III) Whether the reference is barred by delay and latches?
  - (IV) Whether the second party workman was doing his casual work in continuity from the date of his engagement till before his removal from the job? Whether he completed 240 days of work in every calendar year during his tenure of work in the department of first party?
  - (V) Whether second party workman is entitle for reinstatement with full back wages and other reliefs as prayed for?
    - (VI) Whether the management of first party was justified in terminating the service of the workman Shri Salim Abdulbhai Vohra? If not to what relief the workman is entitle to in this case?

# **Findings**

#### (6) ISSUE NO. IV, V and VI

These issues are taken up together for discussions and consideration since those are interlinked. The second party (workman) led both oral and documentary evidence in this case. The workman in his oral evidence at Ext. 15 has categorically stated that since 1-12-1988 he was working as casual labour/wireman in the service of the first party and that he was engaged for the job after his selection as per interview but without any cogent reason he was removed from his job from 16-2-1995. Further evidence is that he has completed more than 240 days of work in every calendar year during his service but he was not served with any retrenchment notice from the management of the first party. Further evidence is that he was senior to other casual labourers but instead of keeping him he was removed from service and the junior casual workers as many as 19 juniors casual workers were allowed to continue in the work. Names of 19 junior casual workers have been incorporated in his evidence as per affidavit. He further deposed that during his service he used to sign his attendance on the muster roll and on the basis of his attendance to work every month he was getting his monthly wages through vouchers and the management of first party was obtaining his signature on the vouchers intoken of payment of monthly wages and the muster rolls and those vouchers containing his signatures were being retained. Further evidence is that according to his attendance of work the officers of the first party were issuing certificates showing the period of his work. The workman was cross-examine on behalf of the first party lawyer. Nothing could have been gained by the first party to discredit the testimony of the workman. Only it has come during cross-examination that the workman had applied for employment in the office of the first party he did not get any appointment letter from the first party, he has no memory what was the daily wages which he was getting at that time of engagement. He also stated that he attended to works of the first party as and when he was called for work and also stated that he has produced the true copy of his attendance vide Ext. 12/1. He further stated that it is not true to say that he was mere casual worker and it is also not true to say that he was demerited. A question was asked to the workman by the first party that now the work which he was attending previously was done through labour contractors, the workman stated he has no knowledge and he also stated that it is not true to say that his signature were not taken on muster roll. He also admitted that his work was as a daily rated labourer and he also admitted that he was not provided bonus. He also admitted that he was not getting all benefits alike of other permanent staff. Workman to support his contention as per his oral evidence several documents as per list at Ext. 12 from Ext. 12/1 to 12/12 were filed which were given pakka exhibits vide Ext. 24 to 35. Ext. 24 is the certificate

which is a true copy attested by Sub Divisional Engineer Microwave Mice Thasra, to the second party workman Salimbhai Vohara that go to show that from December-1988 to the end of 31-7-1989 he worked in the department of the first party as casual wireman in Anand Telegraphs, Sub Divisional in Nadiad, Telecom District, for all the days of each month mentioning December-1988 31 days, January-1989-31 days, February-1989 28 days, March-1989 31 days, April-1989 30 days, May- 1989 31 days, June-1989 30 days, July-1989 31 days which comes to total all the working days of 243 days. Ext. 25 is another attested true copy of the certificate showing his work from August-1989 to January-1991 also mentioning that all the days of the month right from August-1989 to January-1991 he works on all the days and in January-1991 he worked for 26 days and the certificate regarding period of total works of 505 days likewise. Ext. 26 go to prove his contention of work for all he days of the months from February-1991 to October-1991 for total days works 273 days. Ext. 27 go to show his works in continuity from October-1991 to March-1992. Ext. 28 is the certificate regarding his works all the days of 30 days in April-1992. Ext. 29 is going to show as to his performance of work on all the days of the month of May to December-1992 continuously for total days 244. Ext. 30 go to show his works from January-1993 to August-1993 on all the days of work. Ext. 31 go to show his works on all the days of every month from September-1993 to May-1994 mentioning total days of work 271 days. Ext. 32 is certificate regarding his work from June-1994 to December-1994 all days of each month in continuity. Ext. 33 is the certificate regarding his work in January-1995 31 days and February-1995 15 days total-46 days. So, by counting the works of the workman as per Ext. 32 and 33 right from June-1994 up to 15-2-1995 the total days of works in continuity comes to 214 + 46 which is more than 240 days of works it is the case of the workman that since 16-2-1995 he was removed from the work. But before his removal from work from 16-2-1995 by the first party the workman had completed more than 240 days of work in continuity in the preceding calendar year right from June-1994 up to 15-2-1995. More so, from examining Ext. 24 to 33 it is proved that the second party workman Shri Salim Abdulbhai Vohra was providing his continuous work of his daily wager wireman without any breakage. Even on all the Sundays and holidays he was being deployed for the work assigned to him by the first party Management, that the workman was sincerely executing all the works of the first party. Ext. 34 is the Identity Card No. 280981 issued to the workman by the department of Indian Post and Telegraph which was being provided for the departmental officers. In the Identity Card, the name and parentage of the workman and his designation electrician, his name and appointment held by him as electrician AGC mentioning also Identification marks, height, date of birth and also containing signature of the workman and the signature of the issuing authority thus

Ext. 34 further go to prove the claim of the workman that he was treated as permanent staff of the department of first party though he was not provided with any appointment letter. Ext. 35 is the order of the Hon'ble member of the CAT passed in OA/260/1995 which will be dealt with discussing on issue no. 3.

(6) On the other hand the first party has also adduced oral evidence by examining management witness Subodh Kumar Dayabhai Padhiya AGM, BSNL, Nadiad, at Ext. 23. Besides some documents were also filed on behalf of the second party as per list. Ext. 11 on behalf of the 2nd party Lawyer Mr. R.C. Pathak while receiving the copy of the list of the documents submitted by the first party, objection has been incorporated "Subject to arguments and contention, no objection so far serial No. 4 and 5 for exhibition". The first party with the list Ex. 11 has submitted as many as 5 documents. Documents No. 4 is the letter of Assistant Director General (STN) dated 17-12-1993 circulated to all the Heads of Telecom circulars on the subject casual labourers (grant of temporary status and regularisation) scheme 1989 engaged in circles after 30-3-1985 and up to 12-6-1988. The document at serial No. 5 is the copy of statement submitted by AGM (MA and AGM) and DET Nadiad regarding recommendation of the committee for reengagement of the 73 workmen. At serial No. 5 of the nonrecommendation, it has been mentioned not recommended due to continuous break more than 365 days and in this category 73 persons have been shown as per Annexure-E which is attached with Ext. 11/5. In Annexure-E the names of 73 workmen has been incorporated and the name of the concern workman Salim Abdulbhai Vohra is at serial No. 33. The name of the concern workman with other 72 workmen were not recommended for reengagement by the committee of AGM and DET Nadiad. On the grounds of continuous break of work more than 365 days. But such recommendation is falsified by oral evidence of the workman supported with the documents Ext. 24 to 32 discussed above. It has been examined above that right from engagement of work as casual-labourer-cum-Wireman of the second party workman Salim Abdulbhai Vohra, he continued to work for all the days of every months including all Sundays and the holidays and the certificate to such effect was granted to the concerned workman by the competent authority of the first party. Sub Division Engineer BSNL X Bar Exchange, BV Nagar-388121 which were certified as a true copy by Sub Division Engineer, Microwave MICA, Thasara-388160. It is proved that so far as it relates works of the concern workman Shri Salim Abdulbhai Vohra false recommendation was sent regarding continuous break up of his work more than 365 days and the officers of the committee has illegally and falsely did not recommend the name of the concerned workman for granting temporary status and regularisation of the concerned workman as per scheme 1989. Further

more examining at Ext. 11/1, 11/2 and 11/3 it appears that no cogent legal retrenchment notice was sent to the concern workman by the first party. Because the contents of Ext. 11/1 is that-"As no justification of keeping continued in X Bar Exchange, BV Nagar, working on ACG 17 are hereby given workman Ramjit Varma serial No.1 and Salim Abdulbhai Vohra serial No. 2 one month notice that your services are liable to be terminated w.e.f. \$5-2-1994 onwards, This Ext. 11/1 is not a valid notice since the concern workman continued to his work from 15-2-1994 to half of the month of February-1995 continuously working for all the days of each month as examined above. More so, Ext. 11/1 is dated 13-1-1995 whereas by this letter the service of the concern workman was to be terminated w.e.f. 13-2-1994, that means with retrospective effect but the procedure of Section 25 (G) of the I.D. Act did not permit an employer to terminate the concern workman with retrospective effect. So, Ext. 11/1 is in valid piece of document. Likewise Ext. 11/2 through which an order dated 26-6-1995 was passed by the department of first party for payment of Rs. 9698/- inclusive of 3 months notice pay of Rs. 5568/- and compensation of Rs. 4130/- has got no legal force when no valid notice was served upon concern workman. So, order regarding sending the amount on the address of the concern workman through M.O. has got no legal sanctity in the eye of the law. Likewise Ext. 11/3 which is regarding return of the MO as the addressee was not found, is not a legal tender of the retrenchment notice with compensation. So, from the documentary evidence the first party could not meet the evidence both oral and documentary adduced on behalf of the concern workman. In other words the first party has failed to discard the claim of the second party workman as to his continuity of work on all the days throughout the month and also throughout the year right from his engagement on 1-12-1988 till before his oral termination on 16-2-1995 and also his such claim that he worked for more than 240 days of work in every calendar year. On examining the oral evidence of the management witness Subodh Kumar at Ext. 23 and also considering his evidence, during the crossexamination by the lawyer of the second party workman, the management witness has stated that he is giving oral evidence on the basis of record but no such record has been provided by the management which has been mentioned by first party in the reply. Reply of the application of the second party workman as to production of documents mentioning therein that the record is not available even after hectic search. So, the oral evidence of the management witness can be said to be without any basis and without considering and going through the record. More so, the management witness has admitted during cross-examination that work which was being performed by the second party workman is still going on continuously. The management witness further fairly admitted that he does not know the second party workman Salim Abdulbhai Vohra and he has not seen his service record. So witness of the management has given his evidence without examination of the record and without having personal information. In this record no any explanation has been given on behalf of the first party for not producing the documents as called for, on behalf of the second party. Management witness has stated that the muster roll is in custody of the office of the first party. But the same has not been produced before this tribunal in this case. The management witness has admitted in his cross-examination that the nature of work performed by the second party workman is now allotted to the contractor. So, it has further reason to believe that the second party workman was terminated because of introducing contract system. More so, introduction of contract system was not soon after the oral termination of the workman on 16-2-1995 rather it is said to have been introduced from 8-11-2000 onward with different contractor agency as per Ext. 36/1 to 36/8 which it self go to put a serious question mark on the action of the first party that why the second party workman Salim Abdulbhai Vohra was orally terminated from his continuous work on 16-2-1995. Whereas the contractual system was introduced in the department for carrying out works from November-2000. More so, not recommending the name of the concern workman with false and wrong statement of his continuous more than 365 days of breakage in works is falsified from Ext. 24 to 32 produced on behalf of the second party workman.

(7) From the evidence discussed above it is proved that the second party workman during his tenure of work not only completed more than 240 days of work in every calendar year rather he even worked continuously without any breakage of work right from his engagement on 1-12-1988 till 15-2-1995. So, valid right had accrued to the second party workman for granting temporary status and for his regularisation under the scheme of 1989 circulated vide order dated 17-12-1993 to all the heads of Telecom Circles. As per Ext. 11/4 through this letter a committee was asked to be formed in every circles and for submitting status report as per above circular to the committee as per Ext. 11/4, certainly erred in giving false and wrong report regarding continuous breakage of service of the concern workman Salim Abdulbhai Vohra at Annuxure-E for purpose of depriving the concern workman from the fruit or-obtaining temporary status in the department for his regularisation in the scheme.

(8) Shri R. C. Pathak Learned Counsel appearing for the second party has relied upon the case law M.C.D V/s. Pravin Kumar Jain 1958 (2) LLJ page 674, State of UP V/s. Rajendra Singh Butola and another 2000(84) FLR page 896, Sharmishtha Dube V/s. City Board Itava 1991 (1) SCALE page 655, Narottam Chopra V/s. Labour Court 1989 SUPPI. UP State Electricity Board 33 (2) LLJ Page 482 and the order of the Hon'ble High Court passed by in SCA 5545/2009 dated 1-9-2009.

(9) On the other hand the Learned Counsel for the first party Mr. B.V. Kharsani did not file any case law to substantiate his such argument that even though the concern workman has worked in continuity right from his engagement to work till before his oral termination during which period the workman completed 240 days of works in every calendar year even than the management of first party considering the casual nature of work can take action in terminating his service. Even the Learned Counsel for the first party did not concede to the aspects of providing compensation to the workman instead of reinstatement. The Learned Counsel for the first party could not meet the evidences produced on behalf of the second party workman and did not also reply on the law points inspite of the catena of decision cited by the Learned Counsel of the second party.

(10) On examination of the evidence as discussed above in the foregoing paragraph and also considering the judgment of the Hon'ble Apex Court and High Courts cited on behalf of the second party, this Tribunal find and hold that the second party workman namely Salim Abdulbhai Vohra was doing his casual work in continuity from the date of his engagement on 1-12-1988 till before his removal from the job on 16-2-1995 and has completed more than 240 days of work in every calendar year, during his tenure of work in the department of the first party and that the workman was also issued Identity Card by the department of first party as that of an regular employee. This tribunal further find and hold to issue No. VI that the management of first party was not justify in terminating the services of the workman Shri Salim Abdulhhai Vohra and so the workman is entitled for his reinstatement with 50% back wages with continuity in service for getting consequential reliefs which was going to be accrued to him, had he not been orally terminated by the management of first party. Issue No. IV and V is answered in affirmative in favour of the second party workman and the first part of issue No. VI is decided against the management of the

first party regarding unjustified and unwarranted action of the management of first party in terminating the service of the workman. The second part of issue No. VI is decided in affirmative in favour of the workman that the workman is entitled for his reinstatement but only with 50% back wages and continuity of his service for consequential benefits accrued to him had he not been terminated.

#### (11) ISSUE NO. III

From the record it appears that oral termination of the workman was made by the first party from 16-2-1995 and thereafter the workman was fighting out dispute with management by submitting his grievances before conciliation officer having not get any relief on failure of the conciliation. The workman also approached to get relief and for redressal of his grievances OA/260/1995 vide Ext. 35 wherein the member of the Hon'ble CAT passed order dated 16-1-2001 that the Administrative Tribunal cannot entertain and try the matters which pertains to the provisions of the ID Act. Since this Tribunal has no jurisdiction to entertain such OAs the papers of this are required to be returned back to the applicant for presentation before the proper forum. On failure of conciliation report the Appropriate Government i.e. Central Government through Ministry of Labour & Employment vide order dated 23-11-2001 referred the dispute for adjudication. So, there is no any delay in referring the dispute by the Appropriate Government, Likewise there is no any delay purposely caused by the second party workman rather he was in good faith from mid Feb 1995 till before passing of order by the Hon'ble CAT in January-2, 2001 was litigating for redressal of his grievance against the management of the first party in OA/260/1995 so this issue is answered in negative that this reference is not barred by delay and letches.

### (12) **ISSUE NO. I & II**

In view of the findings given in the for going paragraph of issue No. III, IV, V, VI, this tribunal further find and hold that the workman has got valid cause of action and reference is maintainable. As per above findings it is, therefore,

#### ORDER

This reference is allowed. The first party is directed to reinstate the workman Shri Salim Abdulbhai Vohra with 50% of backwages also with continuity of his service and giving all the consequential benefits had he not been terminated. The first party is directed to comply with the award within 3 months of the receipt of this award. Failing which the 50 % back wages will carry interest @ 9% per annum.

#### AWARD

(Dated: 26th September, 2011)

In exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of Industrial Disputes Act, 1947 (14 of 1947) ("the Act" in short), the Central Government has referred the industrial dispute between the employers, in relation to the management of WCL Chandrapur and their workman Smt. Chandrakala Deorao Korde, for adjudication, as per Letter No. L-22012/19/2005-IR(CM-II) dated 21-11-2005, with the following Schedule:—

"Whether the action of the Management of M/s. Western Coalfields Limited, H.Q. Nagpur and the Chief Manager, WCL Chandrapur Area, Chandrapur are justified in denying grant of employment or monetary compensation to the widow Smt. Chandrakala Deorao Korde wife of deceased workman Deorao Korde Ex. Badli Piece rated Loader of Nandgaon Incline who died on 11-10-1997? If not, to what relief she is entitled?"

- 2. On receipt of the reference, parties were noticed to file their respective statement of claim and written statement in response to which, the union, Rashtriya Koyla Khadan Mazdoor Sangh (INTUC), ("the union" in short) filed statement of claim on behalf of Smt. Chandrakala Deorao Korde ("the claimant" in short) and the management of the WCL ("the Party No.1" in short) filed the written statement.
- 3. The case of the claimant as projected by the union in the statement of claim is that Deorao Motiram Korde, the deceased husband of the claimant, was working as a piece rated loader at Nandgson incline of Chandrapur Area of WCL and WCL is a Government Coal Company and is a state within the meaning of Article 12 of Constitution of India and the deceased workman. Deorao was given employment by the Chief General Manager, Western Coalfields Limited, Chandrapur Area on 26-4-1995, after obtaining sanction and approval of Chairman-cum-Managing Director, WCL as a land oustee, due to acquisition of his land for the purpose of mining and deceased Deorao joined in service at Durgapur Rayatwari colliery as piece rated loader and he was a workman as defined under the Act as well as under the Certified Standing Order of WCL and deceased Deorao was transferred from Durgapur Rayatwari colliery to Nandgaon Incline in 1996 and Deorao joined duties at Nandgaon Incline on 11-8-1996 and continued to render able, efficient and regular services at Nandgaon Incline from August 1996 to September 1997 and he died on 11-10-1997 in harness, so the applicant informed the Manager, Nandgaon about the sad demise of her husband along with the copy of the

death certificate issued by the Secretary, Tirvaja Mokana Gram Panchayat which was accepted by the Manager, Nandgaon Incline and by office order dated 3-11-1997 struck off the name of Deorao from the rolls of Nandgaon Incline of Chandrapur Area and informed all concerned and the applicant by application dated 25-2-1998 requested the Suptd. of Mines/Manager, Nandgaon Incline to give her employment as the dependent of deceased workman, Deorao and the said application together with all the required documents were forwarded to Sub-Area Manager, Hindustan Laipeth Sub Area on 15/17-10-1998 by the Manager, Nandgaon Incline and the same was forwarded by the Sub Area Manager to the Chief General Manager. WCL, Chandrapur Area on 3/4-2- 1999, but the claim proposal of the applicant was sent back to the office the sub area manager from the office of the Chief General Manager, pointing out some discrepancies and asking for the clarification, vide letter dated 7/8-3-1999 and the office of the Sub Area Manager, Hindustan Lalpeth Sub-Area rectified the discrepancies pointed out by the office of the Chief General Manager and resubmitted the claim papers of the applicant by letter no. 1596 dated 29-10-1999 and from the said facts, it is clear that the applicant had submitted her claim papers seeking to give her employment in place of her deceased husband, under National Coal Wage Agreement, as soon as possible and the said claim papers were kept pending in Nandgaon Incline office from 25-2-1998 to 17-10-1998 and in Hindustan Lalpeth Sub Area office from 17-10-1998 to 3-2-1999 and again in Sub Area office from 8-3-1999 to 29-10-1999 and ultimately, the claim of the applicant for giving her employment was rejected and as such, the applicant approached the union and the union took up the matter with the Chief General Manager and on refusal of the claim of the claimant, industrial dispute was raised before the Regional Commissioner (Central), Nagpur and on failure of conciliation, failure report was submitted to the Central Government, and the Central Government in its turn, referred the dispute to the Tribunal for adjudication. It is further pleaded by the union that the coal wages agreements, which are applicable to the parties, in chapter IX have provision of giving employment to the dependants of those workers, governed under the National Coal Wage Agreements, in the event of death, medical unfitness etc. and the dependants include the wife or husband of the deceased employee, or son including legally adopted son, unmarried daughter, widowed daughter etc. and the applicant being the wife of deceased workman, Deorao received the benefits of gratuity, provident fund and other dues and there was no bar for allowing the dependent of deceased: Deorao, the privilege as provided in the N.C.W.A. and the Certified Standing Orders also does not impose any bar to get the benefits of N.C.W.A. by the applicant and therefore, the denial of the party no.1 to give employment or to pay monthly monetary compensation to the applicant is totally unjustified, unfair and illegal.

It is further pleaded by the union that the personal Manager, IR Deptt. of the office of the Chairmancum-Managing Director, W.C.L. vide letter dated 26/27-7-2004 had drawn the attention the General Secretary of the union, Nagpur to ascertain the prevalent practice of WCL to give employment to the dependents of Badli workers and list of such Badliers, whose dependents had been given employment in the past and the union had submitted a list of 9 such Badli workers, whose dependants had been provided with employment in different collieries of WCL, but thereafter, no reply was received by the union, which shows that the claim of the applicant is still under active consideration of the party no. 1. Prayer has been made by the union either to give employment to the applicant or to grant monthly monetary compensation from 11-10-1997 and to pay the wages or monetary compensation w.e.f. 11-10-1997 along with the arrears.

4. The party no. 1 in its written statement has not disputed about the appointment of late Deorao, the deceased husband of the applicant as a Badli piece rated loader on 26-4-1995 as a land oustee vide appointment letter 1363 and about his death while in service and submission of application by the applicant for employment and rejection of the same. However, it is pleaded by the party no. 1 inter-alia that the claim was raised in 2004 though the claim related to 1997 and as the claim is a stale claim, the same cannot be entertained in view of the judgment of the Hon 'ble Apex Court in the case of Ratan Chandra Sammant Vs. Union of India in 2003(97) FLR 608 S C and the dispute has not been raised by the union but an individual member of the union and as such the same can be said to be an individual dispute and Badli workers cease to be "Badli" on completion of 190/240 days of work in any calendar year in consonance with clause 3(3) of Certified Standing Orders of the Company but deceased Deorao during the period from 11-7-1995 to 10-10-1997 did not put in actual attendance of 190 days in any calendar year as per Mines Act and remained as Badli worker till his death and in 1995, 1996 and 1997, deceased Deorao had preformed 103, 158 and 148 days of work respectively and the appointment to dependent, under provisions of NCWA is given on compassionate grounds to permanent employees only and the deceased workman had been appointed as Badli P.R. Loader and due to his poor attendance, he had not been made permanent and as such, the applicant was not given compassionate employment and as such, the applicant is not entitled to any relief.

5. In the rejoinder, it is pleaded by the union that the claim is not stale and the demand was first made by the union, before the management and as the management did not reply, the matter was raised before the conciliation officer and as conciliation failed, Central Government referred the dispute to the Tribunal for adjudication and the provision of Section 25-B of the Act are not attracted in this case and there is no bar in the NCWA or Standing

Orders for giving employment to the dependents of the Badli worker.

6. Both the parties adduced oral evidence in support of their respective claims. The claimant examined herself as a witness. Shri V.P. Geogre, Sr. Manager(P) was examined as a witness on behalf of the party no.1. The witnesses reiterated the respective stands taken by the parties in the statement of claim and written statement respectively.

The witness for the management In his cross-examination has admitted that there was no specific provision in the National Coal Wage Agreement, as prevailing on 11-10-1997 not to extend the provision of compassionate appointment to the dependent of a Badli worker and there is also nothing in the NCWA that the dependents of Badli workers, who had not completed 190/240 days of work, as the case may be, as mentioned above are not entitled for compassionate appointment.

7. At the time of argument, it was submitted by the union representative that in view of clause 9.5.0 of VI NCWA, the applicant is entitled either for employment or monetary compensation, she being the widow of deceased workman Deorao and dependents of Badli workers has been given compassionate appointment as mentioned in document no. 9 and the witness for the party no. 1 has admitted the genuineness of the document no. 9. In support of such contention, reliance was placed by the union representative on the decision reported in 2007 (115) FLR (SC) (Mohan Mahato Vs. M/s Central Coal Fields Ltd. and others).

8. Per Contra, it was contented by the representative for the management that Late Deorao, the deceased husband of the applicant was employed as a Badli piece rated loader, as a land oustee, as per the appointment order, document annexure 'B' filed by the management and document IV filed by the union and he remained as a Badli worker till his death and he was not made permanent, as he did not render the necessary days of work required for becoming a permanent employee and as the dependents of a Badli worker are not entitled for compassionate employment, the applicant is not entitled for employment or monetary compensation.

9. It is clear from the pleadings of the parties, the evidence on record and the submissions made by the representatives of the parties that the claim of the applicant either to give her employment or monetary compensation was rejected by the party no. 1 only on the ground that she being the dependant of a Badli worker is not entitled for compassionate appointment or monetary compensation. So, the only point for consideration in this case is whether the dependent of a Badli worker is not entitled for compassionate appointment or monetary compensation.

10. Admittedly, deceased Deorao was appointed on 26-4-1995, when NCWA-V was in force and he died on 11-10-1997, when NCW A-VI was in force. It is not disputed

that there was provision in both NCWA V and VI, for compessionate appointment. As on the date of death of Decrao NCWA VI was in force, the provision of compassionate appointment as provided in NCWA VI are to be applied in this case. The relevant portion of clause 9.5 of NCWAVI, which is in respect of giving employment/ Monetary compensation to female dependents of workman, who die while in service and who are declared medically unfit as per clause 9.4.0 above would be regulated as under:

- (i) In case of death due to mine accident, the female dependent would have the option to either accept the monetary compensation of Rs. 3000 per month or employment irrespective of her age.
- (ii) In case of death/total permanent disablement due to causes other than mine accident and medical unfitness under clause 9.4.0, if the female dependent is below the age of 45 years, she will have the option either to accept the monetary compensation of Rs. 3000 per month or employment.

In case the female dependent is above 45 years of age, she will be entitled only to monetary compensation and not to employment.

It is clear from the above clause that a female dependant of a workman is entitled to employment or monetary compensation if the workman dies while in service. The specific word mentioned in the said clause is "workman" and nothing else. It does not specify the category of workman. It also does not say that dependants of Badli workman are not entitled for the benefit of the same. It also does not provide that dependents of Badli worker, who had not done 190/240 days of work in any calendar year are not entitled to get the benefit of the provision.

Now, it is to be considered as to whether a Badli worker is a workman or not. NCWA VI does not have any such definition. It is admitted by the parties that the provisions of Certified Standing Orders of the WCL were applicable to deceased Deorao. The certified standing orders provide the definition of "Workman". In Section 1 of the said standing orders (Commencement and Application), it is mentioned that it shall apply to all workman employed in all units of M/s. Westem Coalfields Limited situated in different place in the country which come within the definition of Industrial Employment (Standing Orders) Act, 1945 and include all workmen governed by the National Coal Wage Agreement, Section 3.1 of the said Standing Orders provides the classification of workman for the purpose of the Standing Orders. The same reads as follows:

- (a) Apprentice
- (b) Badli or Substitute
- (d) Permanent
- (e) Probationer (f) Temporary
- (c) Casual

The above classification shows that Badli or Substitute employee is also a workman. When there is no bar either in the NCWA or in the Certified Standing Orders to give the benefit of clause 9.5.0 of the NCWA VI to dependants of Badli/workman (whether he had done 194/ 240 days of work in any calendar year or not), the decision of the party no. 1 that the applicant is not entitled for either employment or monetary compensation is not justified and more so, when the management of WCL had given employment/monetary benefits to the dependents of Badli workman as per list given in the document no. 9 of the union. Hence, it is order :-

#### ORDER

#### AWARD

Passed on this 21st day of September, 2011

1. The Government of India, Ministry of Labour vide its Notification No.L-22011/54/2009-IR(CM-II) dated 17-1-2011 has referred the following dispute for adjudication by this tribunal:—

"Whether the action of the General Manager (Region), Food Corporation of India, Bhopal (MP) for non-payment of wages Rs. 50 per day per worker to the 55 workers as per the list enclosed is legal and justified? To what relief are the workmen entitled for?"

- 2. The Union appeared through his General Secretary and filed an application that the Union does not want to persue the reference case. The Union has prayed to pass order accordingly. This clearly shows that now there is no dispute between the workmen and the management.
- 3. The management has also appeared through his counsel in the reference. It is orally submitted that the management has no objection, if no dispute award is passed.
- 4. Considering the above circumstances of the case, I find that this is a case of no dispute. The reference is accordingly answered.
- 5. In the result, no dispute award is passed without any costs.
- 6. Let the copies of the award be sent to the Government of India, Ministry of Labour and Employment as per rules.
